CRAG RAT HONORED AT THE FORUM

Rabbi Wise, of Portland, Defines Home-spun Patriot's Duty.

The Tuesday afternoon session of the chamber of commerce at the Wankoma hotel, Crag Rat, who for Portland youth recently lost while skiing in the highland forests on the south slopes of Mount Hood. Mr. Cochran was introduced by A. L. Anderson, in charge of the Hood River searchers on the mountain.

"As Bill is more of a doer than a talker," said Mr. Anderson, "we will never know just what he went through in following the trail of the lost boy. His task, however, was rendered very difficult, for a blanket of 24 inches of snow had fallen after he had traveled over the ground we covered. Great masses of snow, too, were falling from the trees, and this added to the difficulties of tracking. It required perseverance and skill to retrace that trail when lost and then pursue it until the boy was found."

When Mr. Anderson had finished and Mr. Cochran had risen to acknowledge the introduction, the dining room of the Wankoma hotel resounded with applause and the members of the forum arose in mass.

Mr. Anderson also introduced Bill Hukari, who, he declared, deserved special mention for his participation in the search.

"We members of the Crag Rats went on our search," said Mr. Anderson, "not to gain any praise or publicity but to save life. There were many hardships that we endured and many things were done that you haven't heard about. One time we wanted to get a big toboggan across a stream. Anotto Anna made into the stream, jumped over and made a bridge of his back. Paul Hoerlein learned that we might approach those dangerous corners, formed during the winter months by snow collecting on precipices, by rolling huge snowballs ahead of us."

Leslie Butler, who presided at the meeting, declared that Hood River had gained new glory among the people of Portland through the efforts of the Crag Rats. He said that he was in Portland when news came in that Bill Cochran had found young White, and that everybody was praising the Hood River Crag Rats.

Rabbi Max Merritt, chief speaker of the luncheon meeting, declared that the well merited praise of the Crag (Continued on back page)

GOLDEN RULE DINNER TO BE SERVED HERE

It is for the benefit of the Near East work. The terrible earthquakes in Armenia, which have destroyed so much of the property and the crops of these poor people, just getting on their feet, have suddenly added great burdens on our Near East workers.

Supplies which were intended to go to the thousands of orphans under our care had to be diverted to the relief of the sufferers from the earthquakes. Multitudes of orphans who had been discharged and put in the care of families getting on their feet had to be taken back. More than an extra \$500,000 must be obtained in the United States to meet this sudden emergency.

So the Hood River County Ministerial Association decided to call on the community to observe a Golden Rule dinner. Come together and eat a dinner such as our orphans in Armenia are eating daily; pay what we usually spend on our own dinners, and send the proceeds to the Near East. This is doing unto others, for a brief time, what we wish that others should do unto us, if we were in their place and they in ours.

The dinner will take place Friday evening, January 21, at the Methodist church, where we could find the largest dining hall in town. Rev. Handwerker, director of the Near East Relief for the Northwest, will give a stirring address.

The ladies of all the churches will unite in serving the dinner. Let each one make this a previous engagement and come. We expect some 400 guests. Be one of them. Come and have a fellow feeling with the Armenians by eating the like of one of their daily dinners.

Tickets for sale at all the drug stores at 50 cents a ticket. In behalf of the Hood River County Ministerial Association.

Rev. F. G. Hart, Rev. C. R. Delepine, Committee.

THREE ARE SEEKING COUNTY CLERKSHIP

Don McLeod, commander of the American Legion post, last year, is seeking appointment by the county court to the county clerkship, to succeed Kent Shoemaker, who will resign to become secretary of the chamber of commerce.

Mr. McLeod, who for a number of years has taken a prominent part in civic and public activities, is a member at present of the postoffice force. Allyn Button, son of Mrs. F. H. Button, a young man who was recently transferred to the 65th regiment, G. A. C., for service in France, is active in American Legion circles. A third applicant is H. L. Vannet, son of the late Mrs. Mary Vannet and brother of Ed A. Vannet, local orchardist.

County Judge Jeffrey said yesterday that the appointment will be made soon. Robert Frey was an applicant for the position, but later withdrew from the race.
