ber of commerce next Tuesday Farmers' day will be observed. All ranchers

During the past fiscal year, the Board of Directors of your Chamber of Commerce has held 15 meetings and has considered a total of 84 different items of business. The members of the board have been most active in the work of the chamber and a great majority of the members attended all of he board meetings. A large number of different propositions were brought before the board and considered and a number of them were acted upon. A number of them were acted upon. A During the month of December, the During the summer, the most con-few of the important activities of the Board of Regents of the Eastern Ore-structive work of the Guides was its oard of Directors are as follows: Your Chamber of Commerce was asked to endorse the proposition of the Longview Chamber of Commerce with regard to construction of a bridge across the Columbia river at Longview. The board felt that this action would be contrary to the best interests of the state of Oregon and therefore refused

endorse the proposition. At the time of the re-organization of the old Tuesday Lunch Club, the Board of Directors authorized the inauguration of the Chamber of Comrce Forum Luncheon which was to be held weekly, and the issuance of the weekly house organ, for the purpose of informing the members of the activi-ties of the chamber and the program

for the forum luncheons. During the month of April, the Board of Directors decided that the quarters in the city hall were inadequate for the purpose of carrying on the work of the chamber and at that time a five-year lease was taken on the present quarters in the Mt. Hood Hotel Annex. These new quarters have proven successful, as they are on the main street of the city, easy of access, and provide sufficient space for ommittee. meetings, board meetings,

### **Owners of Poultry**

Let us help you to make more money! WE CAN DO IT, if you will follow our directions, and put your egg-making machines in order and keep them in trim.

### Now, Here's What We Propose:

Count your flock. Then for every 100 hens, get 12 pounds of DR. HESS & CLARK PANACEA. Add one pound of Panacea to every 50 pounds of Mash. If this does not put eggs into your market basket, increase the egg yield to more than cover the extra cost, and put your hens in better condition, return to us the empty container and we will refund your money. We have small packages for small flocks.

Try it --- the other fellow is using it!
