

**JOHN L. HENDERSON
DIES AT TILLAMOOK**

The body of John Leland Henderson, Tillamook attorney and abstractor, who was a pioneer local resident, was found by a posse about four miles from his cabin on Sugarloaf mountain, seven miles north of Tillamook, Monday afternoon.

Mr. Henderson, who recently suffered a mental breakdown, was reported missing early Monday morning by Andrew Larson, who had been living with him since he became incapacitated. A posse composed of about 50 Tillamook men left early Monday morning and under the direction of Carl Curi, a rancher living near Henderson's cabin, scoured the Sugarloaf mountain region until they found the body of Henderson lying on the bank of a stream.

He apparently had become exhausted from a long climb and had removed most of his clothing and placed his feet in the water when he reached the stream. The body was resting on the mossy bank, hands folded, with the feet in the stream. Death had resulted from the shock of cold water, according to Dr. David Robinson. Henderson had had heart trouble for some time.

Larson, Henderson's companion, reported that the latter left the cabin Sunday morning with the declared intention of looking over a tract of timber for which he had had an offer. The party of men which followed his trail said the route was nearly impassable. Henderson, who was 75 years old, covered territory in which able-bodied men were able to go only 20 or 30 feet at a stretch before resting. Part of the route had to be covered on hands and knees through blackberry brush and fallen logs.

At one place a group of men found a grub hook which Henderson had taken along to cut brush, stuck in a tree. It was just barely hooked in, indicating that the wanderer was in an exhausted state before he reached the stream where he lay down to rest. At another place they found where Henderson had stopped and sat on a log to smoke his pipe.

Mr. Henderson, who was well known throughout the state, came to Tillamook from Portland in December, 1911, and opened an abstract office there. He will be buried at the foot of Sugarloaf mountain as requested in his will.

Mr. Henderson came here in 1874, settling near Olympia, Wash., where he was superintendent of the Indian reservation. In 1876 he married Miss Harriet Humphrey. He taught schools in Olympia for many years, later moving to Hood River, where he served as county surveyor and justice of the peace. He maintained an abstract office at Hood River until he moved to Tillamook. He is survived by the following children: Leland J. Henderson, Columbus, Ga.; L. A. Henderson, Oregon City; Edwin A. Henderson, Olympia, Wash.; Sidney E. Henderson, Baxter Springs, Kas.; Mrs. Faith Ruppel, Gresham; Robert L. Henderson, Oakland, Calif.; and Elliott Henderson, of Tillamook.

Mr. Henderson was a brother of Prof. L. F. Henderson.

LEGION AUXILIARY NOTES

One of the most pleasing presentations that it has been my fortune to experience took place Monday evening of last week when Bill Cochran was presented with a pair of best pawes by our unit in appreciation of his services during the hunt on the other side of the mountain. Mrs. A. L. Anderson, our worthy president, made the speech, and did herself proud.

We are certainly very pleased with the response of our members this year in paying their dues. To date we have a paid up membership of 115 as compared with 165 in 1926. We have pledged ourselves to secure our quota of 200 by June 30, so come on you slow ones, and pay up those dues, and to those of you who have paid, don't forget that you can do your bit by bringing in a new member.

Our unit during the month of January sent a very complete layette, a box of adult clothing and a box of children's clothing to the hospital and child welfare chairman in Portland. We are sure the general public will be pleased to know that we have voted \$500 to the hospital fund. This money is in the bank, and will be available whenever enough more organizations and individuals follow our example, to make the hospital a reality instead of a thing of anticipation.

We increased our order for Memorial Day poppies this year from 1500 to 2500. This means that we will all work harder this year in disposing of same than we did last year. However, the public is becoming better educated in the work of the poppy each year, and with the same hearty cooperation which we have always received from the valley communities, we anticipate no trouble in selling each and every one of our poppies.

We will all agree that a vote of thanks is due Mrs. Ed Kring for the bounteous lunch served us at our meeting. There were favors in everything which goes to make up a real party. We thank you, Nella.

The card party held by this unit last Thursday added \$25 to our general fund. Inasmuch as this was a benefit party and the playing was not limited to any one game, (anything from dominoes to mah jong being permissible), no prizes were offered. However, everyone seemed to enjoy the afternoon, and we wish particularly to thank those outside the unit who made up tables. Mrs. H. H. Hottinger, of Parkdale, contributed two vocal solos.

We are advised that the February birthday party will be held next Thursday afternoon, February 24, at

**PAVING OF LOOP
HIGHWAY IS ASKED**

The Hood River chamber of commerce has adopted a resolution urging the State Highway Commission to pave the section of the Mount Hood Loop highway from here to Parkdale. The resolution cites that the heavy traffic on the road, which carries a heavy tonnage of apples and orchard supplies as well as tourist travel, appears to indicate that it will be impractical to further maintain the road unpaved.

"It was the understanding of some, at least," says the resolution, "that the state would, within two or three years, pave that section between Hood River and Parkdale."

The district conference is to be held at Dufur Friday, March 18. Those of you who went last year to Moro will not need to be coaxed to go again this year, but keep the date in mind and fill up your car. Each unit endeavors to have as many members as possible at the conference.

The chorus is still practicing Thursday evenings, and while they aren't making much noise as yet, they have something good coming up in the future. Don't miss a grace, you "chorus girls" for every time that you do it means delay and repetition for everyone else while you are making up what you missed.

It was gratifying to those in charge to see the way the punch was lapped up at the Drum corps' dance Saturday night. Applying the old adage, "Actions speak louder than words," we are sure it must have been good.

See yuh again next week. Watch for this "colymn."

CHURCHES

First Church of Christ, Scientist
Services in church building Sunday, 11 a. m. Sunday school the same hour. The reading room is maintained in the Davidson building. Room 8 is open week days from 9 to 5, with an attendant in charge from 3 to 5. Wednesday subject, "Mind."

U. at 6:30 p. m. Prayer meeting Wednesday at 7:30 p. m. C. R. Delepine, Pastor.

St. Mark's Church
Sexagesima Sunday will be observed with the Holy Communion at 8 a. m. the monthly corporate Communion of the Daughters of the King. Sunday school meets at 9:45 a. m. At morning service led by Young People's choir. Junior B. Y. P. U. at 4:30 p. m. Senior B. Y. P. U. at 6:30 p. m. Prayer meeting Wednesday at 7:30 p. m. C. R. Delepine, Pastor.

Christian Churches
City Church—Bible school 9:45, Communion 10:50, Junior church 10:50, and morning message at 11:15. Evening, Christian Endeavor 6:30, evening message and song service 7:30. Bible study Thursday evening, 7:30.

Valley Church—Christian church district rally all day and evening Friday, February 18. Morning service at noon, Christian Endeavor banquet, 6:30. Fine program throughout, outside speakers including C. F. Swander, of Portland. Bible school, communion and preaching service Sunday at 10:30, combination service. Evening service, Christian Endeavor 5:45, 6:30 and evening song service and preaching at 7:30. Junior church at 11:05 a. m. We most cordially invite you to come and worship with us.

Asbury M. E. Church
Sunday school at 9:45. Prof. Durand, Supt. Morning worship at 11, subject, "Imitators of God." Epworth League at 6:30 p. m. Evening worship at 7:30; something different, with the Ladies' Aid will hold a Kensington in the church parlors Friday afternoon, February 18. Bible study and prayer service each Wednesday at 7:30. Thursday evening, February 24, Dr. Smith, superintendent of the Japanese work on the coast, will speak in the church. The District Epworth League Mid-year Institute will be held in the church Friday, February 25, to Sunday, February 27. The W. F. M. S. will meet Friday, February 25, at the home of Mrs. J. R. Forster. Mrs. S. Hoover is the leader. You are cordially invited to any or all of these meetings.

The Gospel Tabernacle
Dr. Robt. Apitz, pastor of the Gospel Tabernacle, was suddenly taken ill last Thursday noon with influenza and has been confined to his bed. He is reported much better at this writing and hopes to conduct Sunday's services. Harry Beall, of The Dalles, a familiar figure wherever gospel work is carried on, led last Sunday's services for the Gospel tabernacle. Harry has a wonderful testimony and a great way to tell it. Many of his old cronies of old-time days met him here and had quite a few compliments to make regarding his conversion and his 20-year consistent living.

It is to be noted that quite a revival is taking place at the tabernacle just now. The crowds are increasing from Sunday to Sunday and there is a wonderful live spirit in the song services, which are featured Sunday evenings. The saxophones surely add real color and life to the singing and all enjoy their efforts.

Mr. and Mrs. A. E. Hall, formerly associated with the C. & M. A. work here, have joined the Baptist church, being received upon petition of experience last Sunday evening. The tabernacle fold wishes them happy association and fellowship.

Sinky and Smelly Oil Stoves Cured by Eucene Oil. Try this high grade coal oil next time and see the difference. Any quantity, gallon to barrel, at E. A. Franz Co.

HOOD RIVER GLACIER

Hood River unit now has two Camp Five Girls leaders, namely Mrs. Don McLeod and Mrs. Alec Gladwin. Mrs. McLeod formerly helped with this work in Pine Grove.

Hood River post and unit were well represented at the ski carnival last Sunday, and we prophesy that the druggists and doctors profited thereby, if we may judge from the lumps and the groans of Monday.

The district conference is to be held at Dufur Friday, March 18. Those of you who went last year to Moro will not need to be coaxed to go again this year, but keep the date in mind and fill up your car. Each unit endeavors to have as many members as possible at the conference.

The chorus is still practicing Thursday evenings, and while they aren't making much noise as yet, they have something good coming up in the future. Don't miss a grace, you "chorus girls" for every time that you do it means delay and repetition for everyone else while you are making up what you missed.

It was gratifying to those in charge to see the way the punch was lapped up at the Drum corps' dance Saturday night. Applying the old adage, "Actions speak louder than words," we are sure it must have been good.

See yuh again next week. Watch for this "colymn."

CASCADE LOCKS HIGH SCHOOL NEWS

A correction in the scores of the basketball games between Stevenson and Cascade Locks high schools gives the Locks girls the score of 52-4 at the end of the game instead of 28-2 which was the score at the end of the half, and also gives the score 11-9 in favor of Cascade Locks at the end of the half of the boys game, instead of 11-0.

Saturday night the senior class entertained the rest of the high school with a clever valentine party, in the high school gym. The seniors deserve a lot of credit for their work and unusual ideas as the party was a success from the start to the finish and was thoroughly enjoyed by everyone present. The refreshments were appropriate for the occasion and were served in the domestic science room which was attractively decorated in red and white, the class colors and also the colors of the day.

Last Friday afternoon the Stevenson grade school teams came over to play the Locks' grade school teams. As there were not enough girls to make up a full team, three high school girls who were not on the regular team filled in. The girls' game ended 14-13 in favor of the Cascade team and the boys' game ended with the score 18-6 in favor of the Locks.

The seniors are very busy working on their class play, "Sally Lunn," a comedy in two acts, which they expect to produce in March.

Monday afternoon our freshman basketball team played the Stevenson frosh in an interesting game which resulted in another victory for the home team, 15-6. This makes the fifth consecutive victory for the basketball teams of Cascade Locks grade and high schools in the matches between these two schools. All games were played on the home floor.

Koberg Out for Football

Prince Koberg, of Hood River, freshman in commerce at O. A. C. has answered the call for spring football. Spring training was adopted several years ago as an effective means of preparing the men for early season games. Regular practice begins September 15, keeping the men in condition nearly the year around.

O. A. C. has found a conspicuous place on the football map under the direction of Paul J. Schisler, head coach. The Aggies were the winners of the Northwest conference in 1925 and ranked as one of the best scoring teams in the country last year.

Eighty experienced men have turned out and Coach Schisler expects a strong team even though 11 men will be graduated in June. Of the players turning out, 11 are lettermen and 26 are members of last year's squad.

Koberg is a member of Pi Kappa Alpha, national social fraternity.

Pythian Notes

At the regular convention held at Castle hall February 15 a committee on application was appointed as follows: M. M. Russell, F. G. Cooper, A. J. Stranahan, L. M. Baldwin and J. F. Volstorff.

At the anniversary meeting to be held February 22, Veterans H. J. Fredrick and Jas. Stranahan will be presented with 25-year jewels. A good program of vocal and instrumental music has been prepared. An address on Fraternism will be delivered by Rev. Henry Young. The program will be followed by lunch, after which music will be provided for those who wish to dance. An urgent invitation is extended to all Knights and their families and they are also asked to bring a friend.

FINS, FURS AND FEATHERS

John A. McLean and W. M. Black motored to Arlington Sunday to shoot jackrabbits. Mr. McLean tried out a new shotgun. The men returned with 30 large jacks.

The recent sunshiny days are causing anglers to dream of the days when trout pools will again be calling.
