**National Sealy Sale**  
Your Opportunity

**Sale Price \$39.50**  
**One Week Only**  
**Regular Price \$55.00**  
**You Save \$15.50**

**On Sale Here Beginning Monday, April 18th and ending Monday Night, April 25th**

Every Sealy dealer in the U. S. is offering patrons this splendid bargain during Sealy week.

Consider what this sale offers you. For the price of an ordinary mattress you can own the World Famous Sealy Tuftless. You can gain the health and energy which come from nights of completely relaxed rest.

For nearly half a century the Sealy Tuftless has stood pre-eminent as the most comfortable mattress made. None has approached its luxurious pillow comfort; for the Sealy is different—fundamentally different. It is manufactured by a patented Air-Weaving Sealy Process different from all other methods of mattress manufacture—a process by which millions of tiny, long staple, cotton fibres are so knit into a single giant batt that tufts become unnecessary.

The absence of tufts gives the Sealy pillow-like comfort. And Air-Weaving adds a resilient buoyancy which conforms to every outline of the body.

Every member of the family needs the health-giving, relaxing comfort of the Sealy. Youngsters need its restoring comfort to stand the strain of youthful play and to progress as you wish them to in school.

And you—your husband or wife—need the Sealy's pillow-like comfort to bring you to each morning "feeling like a kid again." Without the restorative comfort of the Sealy you cannot reach your maximum efficiency in either work or play.

Take advantage of this Sale early, and in thirty days you'll be singing the praises of the Sealy to your friends.

Reasonable terms of payment if desired.
