RADIO NEWS

Antenna Construction

Never construct or put up your an-tenna parallel with high voltage leads of A. C. current as you will receive lots of power noise. Always construct your antenna so it will be at right angles with the power line as this will reduce the noise considerably.

Counterpoise

A counterpoise is a single or more wires running directly under your an-tenna. The use of a counterpoise is to help reduce static or power noise.

erify.

Lead In

Never bring your antenna lead in near the wall of house. Always keep it as far away as possible; stand off in-sulators are used for that purpose. If you run your lead in close to paint it will form a compassity which will re-duce lots of volume from your antenna. and January 9. (Over, over over—it's unethical but we did it — Announce Rialto opened Thursday at 2 p. m. Send star reporter to cover this great story)

Antenna construction plays a great part in radio sets, even to crystal sets or 14-tube sets.

Cooperative weather report for 24-hour period ending at 5 p. m., Sunday: Maximum temperature 45, minimum 36 above zero. Raining lightly. Precipi-tation, .35 of an inch. West wind. Light snow in mountain district. Miss Nancy Bates, of the Burdoin Heights district, was called to Los An-geles, Callf., Saturday to care for her aunt, Mrs. Milton H. Roberts, age 81, who fell and broke her hip. The Rob-erts family formerly resided in Oakes, N. Dak. They have friends in Hood River.

week. We are glad to welcome back to our neighborhood Mr. and Mrs. Floyd Nun-amaker and their children. Mrs. J. R. Nunamaker is with Mr. and Mrs. Guise at Long Beach, Calif. The Home Economics club of Rock-ford Grange met with Mrs. Robert Frey last week, having a pleasant meet-ing with Mrs. D. H. McClain as chair-man.

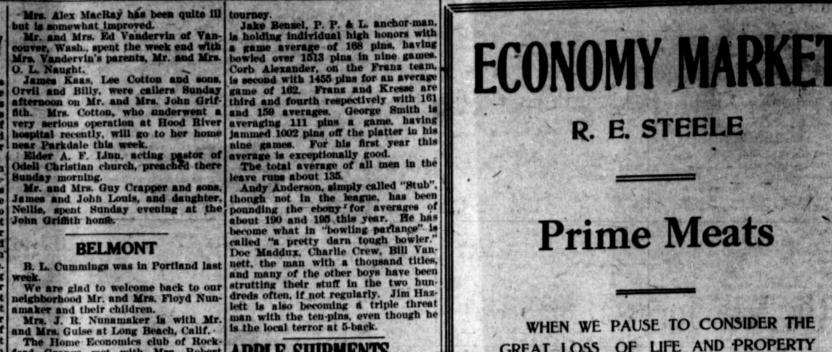

man. Mr. and Mrs. Geo. Taylor have gone to Chehalis to spend Thanksgiving with Mrs. Taylor's parents, Mr. and Mrs.

W. C. T. U. NOTES Why They Hope

single tickets and student lickets are also available. Tickets are now on sale for the single performances also. "Lilies of the Field" is in two acts and is a very scenic production, in fact more scenery is being carried with this one bill than with both of last year's productions. Miss Young stated that their bills this year will appeal more to the masses than heretofore, as the company has been very particular to pick only shows that would have wide appeal to every type of patron. The Moroni Olsen players are a Hood River institution or at least have be-come such, and with the newly fitted up Rialto patrons can rest assured that their opening as the first stage attrac-tion in the house will be quite an event. Prices for the Hood River engagement are even less than prices charged in the bigger cities with more population as readers of the Portland papers can verify. Theatregoers will have two oppor-tunities to see these popular players for the season of 1927-28—November 28

If this does not indicate an unscru-pulous disregard for all of the princi-ples of democracy and Americanism, we fail to see its significance.—Ex-change from Washington, D. C. We hope it was the 40% or less who made Armistice Day what it was in Hood River in spite of a majority who are 100% Americans and uphold the Constitution.

The November meeting was finally held in Library hall and the December heid in Library hall and the December meeting will be in the same place. Mrs. Lydia Olmsted presided and read the list of committees for the coming year. Lydia Olmsted presided and read the list of committees for the coming year. The list will appear next week. The program consisted of current events from every member who cared to respond. Education, moving pictures, national politics and especially conditions in our own town were topics discussed. The program closed with plano music from Chopin and McDowell by Miss Eleanor Forden. Mrs. C. B. Woolpert and her committee served refreshments and a pleasant social hour followed.
