That chest of tools he's wanted \$14

for the YOUNGSTERS
Wheel toys that encourage ray checks, from \$2 to \$16

Kelly Bros. Hdwe.

THE DALLES MAN KILLED IN WRECK

Harold T. Gabel, 31, The Dalles pharmacist, died Saturday morning at the M.D. Columbia hospital...

The accident occurred when the truck attempted to pass a third automobile on a turn and met the Gabel car head on...

Funeral services for Harold Gabel were held Tuesday morning at 9 o'clock from St. Peter's Catholic church...

The truck driver was held in jail the first of the week in lieu of \$1500 bond...

RADIO NEWS

Antenna Construction
Never construct or put up your antenna parallel with high voltage leads...

Counterpoise
A counterpoise is a single or more wires running directly under your antenna...

Lead In
Never bring your antenna lead in through the wall of house...

Antenna construction plays a great part in radio sets, even to crystal sets or 14-tube sets.

Note: Some of the league members want their scribe to change his name to DeHole...

Team Standings
Franz Hardware 8 1 890
P. F. & L. Poleclimbers 6 3 807

Wednesday evening, November 16, Franz Hardware bowling team pulled up another notch on their first place belt...

The Barbers, enjoying a handicap of 108 pins compared to that of Franz's 87, were not quite strong enough at any time to push over the win...

Frengang, of the Shell aggregation, was cheering the hairpullers on with the loudest and most enthusiastic for the 'Babbebs'...

Thursday evening, November 17, the P. F. & L. Poleclimbers slipped up on the Shell Co. gang by putting over two wins while the oil birds were taking one...

One of the wildest and most enthusiastic games played yet this year was on last Friday night when the Standard Oil quintet and Kressa Drug warriors held the last match of the week...

A feature of this contest was the bowling of George Smith who hung up scores of 116, 113, and 135 respectively.

These scores show the improvement on Smith's part and speaks well for his further bowling, as this is his first year at the sport.

It is predicted that serious changes in team standings will take place within the next two weeks as some of the old bowlers are getting the "eye" back again...

Mrs. and Mrs. B. L. Sumner spent Thursday evening with Mr. and Mrs. C. E. Nesbit.

Mrs. George Easterly visited friends in Portland the last week.

Jake Benschel, P. P. & L. anchor-man, is holding individual high honors with a game average of 188 pins...

The First Thanksgiving Day in America

occurred at the Jamestown Colony in 1610, when supplies arrived just in time to prevent the settlers from giving up their plan of colonizing America...

Compared to the privations and sufferings of the Colonists, what do we have to complain of, how much to be thankful for.

WE ARE THANKFUL FOR MANY BLESSINGS Among them the privilege of living in Hood River, Oregon, and the good old U. S. A.

The LEONORA—Specialty Shop

Easiest to Start in cold weather

When Zero is the forecast, you'll be glad you bought a Nash.

For even though you keep a Nash in an unheated garage, here's one car that starts immediately, and then warms up to smooth operating efficiency in no time at all.

Nash has a big heavy-duty starter, an improved carburetor with automatic heat control and then thermostatic control of the water circulation which combine to produce almost magical results when you press the starter.

Nash is a great cold weather car in other ways, too. The big, 2-way, 4-wheel brakes of Nash surround you with safety over every imaginable condition underfoot.

The Nash crankcase ventilator keeps the car's interior absolutely free of engine fumes, and at the same time prevents the usual cold-weather dilution of lubricating oil.

This is the best time in the year to trade your present car on a new Nash. Come in and let us show you how much more enjoyable winter and winter driving can be, when you drive a Nash.
