GET YOUR PARKS BENEFIT

Do you remember the slogan back during war days, "Oregon First"? We always responded to every patriotic demand here in the great Beaver com-

That spirit still exists, and may it always be thus, here in Hood River last Friday when the civic, religious, lied 100 per cent and accepted the offer of Arthur Kolstad to provide practical aid for the family of Herbert Parks? The plan as evolved from the spontaneous wave of sympathy which swept the participate in the help for Mr. Parks

If you have not already bought them, get your tickets now for the Parks efits, which will be held next Wednesday and Thursday. You may secure tickets at any business house.

NEED FOR COOPERATION

If ever in the history of the fruit industry of the Hood River Valley, growcooperative and unified efforts that for a municipal airport. on by the invasion of perrenial canker. And it is very true that the disease has been taking a heavy toll, especially of certain varieties of apple trees.

Growers, as was developed at the eeting of the Traffic association Monday, are given the hope of remedies tentatively recommended by the experiment station. Every effort will be made to develop further control meas-

But the point we wish to make now is that all growers should determine to cooperate to the fullest with the experiment station and county inspection department in applying every method now at hand toward holding the canker in check as much as possi-A failure at such cooperation would, indeed, give rise, and very justifiably so, to a pervading pessimism.

THAT AIRPORT

Hood River, in view of the fact that the county and Paradise acreage tract the county and Paradise acreage tract just west of town offer the only available, practical location for an airport, able, practical location for an airport, its fortunate in being offered the opportunity of securing such a field at so the county to meetings of the county courts."

of the chamber of commerce Tuesday County Judge Jeffrey appealed for support in saving watershed forests on the high ridges along the tributaries of the West Fork of Hood river. Judge Jeffrey, who stated that he had received data from District Forest Ranger Stanley C. Walter, was read that the data from District Forest Ranger Stan-ley G. Walters, warned that the cutting of a vast acreage of fir, which was pur-chased by the Oregon Lumber Co. in 1915, might result in a famine of irri-gation water here.

"The forests which will be cut over," said Judge Leffrey." is I am informed

greater portion of the lower valley. It will result in seasonal floods and drouths. Without irrigation water here we will have no need for the functioning of a chamber of commerce. I have been informed that the contract which the government has with the lumber company may be terminated any year, although it is binding on the lumber

its operations.

"The lumber company, it is reported, has been operating at a loss for several years, and according to information reaching me will welcome a petition on

reaching me will welcome a petition on the part of local people that will enable them to turn loose. It is true that the company has a big payroll that must be considered."

Nels Nelson, local manager of the Oregon Lumber Co., declared, however, Tuesday night that Judge Jeffrey is resting under misinformation. He said that his company's operations will in no wise result in so great a denuded area as indicated. He further declared that the company will resist any effort at a cancellation of its contract. The lumber company, he declared, has constructed a logging road into the timber, and a cessation of operations now, he said, would leave practically valueless an investment of \$500,000.

Judge Jeffrey for the most part de-

an investment of \$500,000.

Judge Jeffrey for the most part devoted his talk to the duties of county courts and the many details that come before them. He declared that he was glad to note that no court action had ever been brought against the county court since the term of Judge Stanton.

At that time, he cited, the road building are the neighbors of the large family.

The following are the neighbors of Mr. and Mrs. Parks who met an emerging era was being entered upon. Building the part of the large family.

The following are the neighbors of Mr. and Mrs. Parks who met an emergence upon last week lost his left arm and had his right terribly mangled in a woodsaw accident, his neighbors rallied in the emergency and raised more than \$200 for the benefit of the large family.
