OPEN FOR BUSINESS

We are now established in our temporary building, just in the rear of our old location in Cascade Locks, where we shall be glad of an opportunity to meet friends and patrons. Our limited quarters does not permit us to carry a line of Hardware and Clothing, but we have a fine stock of Groceries and are prepared to take care of our trade in the future, as in the past. However, we can get you anything you need in Hardware or Kitchenware on a day's notice. The telephone, 121, remains the same and we are delivering Groceries throughout the Bonneville district. Business goes on as usual. We take this means of thanking our hundreds of friends who have assisted us in reopening the store since the fire. All of you have been splendid.
