WORKMEN BUSY ON

RECREATION CENTER

Workmen are building forms and preparing to pour concrete for the foundation for the new recreational building which is being built on the reservation, three blocks below the gate. The contract for the building will be let this week, but specifications provide for the construction of the foundation by the government.

It is anticipated that construction of the building will be commenced early in December, but it is improbable that it will be ready for use much before February.

EAGLES TO INITIATE

Eagles of the Cascade Locks-Bonneville aerie are planning to hold a large initiation Wednesday night at their regular meeting at Merrill's pavilion. A number of classes have been taken into the fraternal order since the aerie was formed six weeks ago.

LEGION DANCE NEXT WEEK

The American Legion dance at the Craigmont hotel Friday night was well attended. The post is making a regular twice-a-month affair of the dances and will hold another dance the night of December 7. Fred Davis, new chairman of the dance committee, is giving much of his time and energy to building up the dances and making them a success.

LIBRARY TO OPEN

Due to the demand for more library books for the dam workers the branch of the Portland public library is moving into its own building on December 3. The new quarters are located in the old schoolhouse which has been remodeled for this purpose. It is now located directly behind the new Roosevelt theatre on the reservation.

A SMILE OR TWO

A WORD OF CAUTION

She had been hired for a job in the circus, and she said to the boss: "Is there any particular advice you would like to give me about the work?"

"Yes, don't undress before the bearded lady."

ONE-MAN ARMY

And there, my son, you have the story of your Dad and the Great War."

"Yes, daddy, but why did they need all those other soldiers?"

FIGHT TO THE FINISH

The novice at fishing had hooked a very small trout on a little lake in the Canadian wilds. He wound it in excitedly until it was rammed against the end of his rod. Then turning to the guide, he asked, "What do I do now?"

"Climb up the rod and stab it with your hunting knife!" the guide drawled.

EX-BUSINESSMAN

"What did they throw you in jail for?"

"Competition."

"Wadye mean, competition?"

"I made the same kind of ten-dollar bills the government does."

IMPOSSIBLE TO TELL

A little girl had been playing in the water with some other children. Her mother asked if she was playing with little boys or girls. She replied, "I don't know, mother they didn't have any clothes on."

FAINT HEART

"Why so unhappy, dear?"

"It's my boy friend. He let one slap discourage him last night."

THE COWARD

Policeman: "Don't you know this is a safety zone, lady?"

Woman Driver: "Of course, officer, that's why I drove in."

GRAT MEN IN HISTORY DEPT.

Teacher (in history class): "Johnny, for what was Louis XIV chiefly responsible?"

Johnny: "Louis XV, Ma'm."

PROGRESS NO. 14

Bonneville has a new theatre. We are glad. It will fill a want that has existed at the dam. People desire amusement and recreation, and there is no more pleasant place to spend an evening than at the movies. we congratulate Bonneville, and we congratulate J. J. Parker. The Roosevelt will come to mean much to the people of the district.

WEST COAST POWER CO

Congratulations to Roosevelt Theater.....

Opening of the new picture house is a mile post in the history of the Bonneville dam. It will meet a genuine demand for recreation. The fact that it is under management of J. J. Parker insures the public of splendid pictures at a reasonable cost.
