

SCHOOL NEWS

(by Charles Hill)

Supt. and Mrs. Henderson entertained the school teachers at their home in Hyde Park Thursday night. Following a dinner which brought up memories of the old south, the evening was spent in conversation. Those who gathered about the dinner table were Averill Stewart, Wilma Eddy, Margaret Lacy, Katherine Walker, Mr. and Mrs. Frank Autrieth and the Hendersons.

Little known Facts: Frank Autrieth, grade school principal, ranks as one of the leading chess players of the United States, and three years ago was runner up for the championship of New York state.

The high school English classes enjoyed an afternoon of dramatics last Friday, when different groups of students staged skits from various books of national prominence.

"THE ST. LOUIS KID"
and a great two-reel comedy and a great cartoon

By individual selection the students placed themselves in groups selected their book, and proceeded to write their lines and action. Time allowed for only four of the playlets which were greatly enjoyed by the students and a few guests.

James Kirby acted as announcer for the plays which were: "Anne of Green Gables," staged by Lois Merrill, Faye Douville, and Howard Harrison; "Enoch Arden" by Josephine Gage, Al Jenkins, and Don MacDougal; "Nathan Hale" by Faye Ted Johnson and Howard Harrison; "Tom Sawyer" (fence painting episode), Dave Johnson, Jim Johnson and Bob Miller.

Steps have been taken during the past week to organize local people interested in dramatics into a club which has as its purpose the production of plays during the winter. Several teachers, as well as other people in the community, are capable of directing plays, and there are many who will be glad to take part. For the present anyone interested in the formation of such a group may help the progress by advising Miss Margaret Lacy of the grade school faculty, of their willingness to aid.

SPORTS

Old Lady Luck must have been against the boys of the Cascade Locks basketball team Friday night, when they went to White Salmon. They played a very nice game but the White Salmon boys were a notch too fast for them.

There will be no basketball game this Friday on account of the play to be given by the high school students.

Odell has the promise of a good team this year. They beat Parkrose 35 to 9, which is very good for a school as small as Odell.

The boys have a return game with Corbett at Corbett the 21st. White Salmon comes here for a return game on the 28th.

The Grade school children are spending a good deal of their time rehearsing a play for Christmas.

Folks, don't miss this play given by the high school—"Prince of Liars."

With the baby crying for Santa Claus, the wife crying for money and the landlord crying for rent, it won't take a great deal of research to convince us that Christmas is just around the corner.
