## WOMEN'S STORE PLANS TO OPEN IN THE LOCKS

The Ladies Specialty shop will  
open in Cascade Locks next to  
Hyde's Men's Shop, about May 10.  
Miss Macy Johnson, of Portland,  
announced this week.

"It is my firm belief," Miss  
Johnson, who comes from Port-  
land, said, "that Cascade Locks  
is to become the shopping center  
of the Dam Area and so we have  
selected it for the location of our  
store."

At moderate prices for quality  
merchandise, the shop plans to  
feature up-to-the-minute wearing  
apparel of all kinds for women,  
including hosiery, underwear,  
wash dresses and knitted sports  
wear and the most modern styles  
in dresses.

## ODD FELLOWS, PERRAS, PAINT THEIR BUILDINGS

Palm or the neatest job of  
painting done in the district in  
many months goes to the Odd  
Fellows, who have done the ex-  
terior of their new building in  
Cascade Locks in an attractive  
cream color. Silver Perras, who  
owns and occupies the building  
next door to the Odd Fellows  
with his meat market, caught the  
spirit and did his building in a  
slate gray.

Application of paint on these  
two buildings has added materi-  
ally to the appearance of Main  
street and enhanced the value of  
the property. As an example of  
what paint can do, they stand out

and command attention.

Hope is expressed that the Odd  
Fellows will continue with their  
painting until the roof has been  
done in colors that will catch the  
eye of the passing motorists.

## LOCKS ADDS GROCERY STORE TO BUSINESSES

More proof of the fact that  
Cascade Locks is becoming an im-  
portant Columbia river valley  
trading center was seen this week  
when C. C. Chapman of Portland  
announced the opening about May  
4 of his new grocery store next  
door to the Perras meat market.

Chapman, with 20 years ex-  
perience in the grocery business,  
sees great possibilities in the  
Bonneville dam area. He will  
open an independent store to car-  
ry a complete assortment of gro-  
ceries and vegetables.

He will be joined by Mrs. Chap-  
man and their 13-year-old son,  
Mark, as soon as Portland  
schools are out for the summer,  
and they will make their home  
at the Locks.

## BUSINESS MEN STUDY GROUND AT UMATILLA

Carl Epping, J. A. Merrill and  
L. M. French went to Umatilla  
last Sunday to look over the sit-  
uation there and acquaint them-  
selves with conditions prior to  
construction of the proposed dam  
across the Columbia river at that  
point. Quite a number of business  
men from Portland and the Bon-  
neville dam area have been study-  
ing the ground at Umatilla.

nity Choral society, ably directed  
by Mrs. C. A. Saunders, presented  
the Easter cantata, "From Death

The audience listened raptly as  
the mixed voices of the choir un-  
folded the story of the resurrec-  
tion of Christ.
