PEPPY COLORED GIRLS' ORCHESTRA PLAYS AT MERRILL'S WEDNESDAY

Jim Merrill will present the 12 "Harlem Play Girls," colored girl musicians and entertainers, at his pavilion in Cascade Locks next Wednesday evening.

Under the direction of Sonny Rice, featured drummer and judge of good music, the girls form a smooth orchestra for dancing. Their floor show is lead by Jean Taylor, clever mistress of ceremony, who both sings and dances. Margaret Backstrom, saxophonist, is featured whistler and tap dancer. In a national high school contest in 1934 she took top honors as clarinetist. Ernestine Davis in the trumpet has been declared as good as Louis Armstrong for her playing and singing. Orvella Moore is a noted piano player.

The Harlem Play girls organization comes from Minneapolis, where they were gathered after a nation-wide search for talent and ability. All have appeared on national radio chains.

TYRRELL'S TO REOPEN FAMOUS DINING ROOM ABOUT AUGUST FIRST

August 1 should see the opening of the newly remodeled dining room above Tyrrell's tavern in Bonneville. Manager Archy Cook announced yesterday.

Workmen are busy putting in booths, fixtures and equipment. A long bar and counter with stools for 24 has been installed. Booths will seat another 40 in addition to a large table in the center and folding banquet tables, to be used for especially large parties. About 75 will be regularly accommodated.

The new dining room will carry on the tradition of fine food which made the same place, before being closed some time ago, world-famous for years. To ensure home cooking, women exclusively will be employed in the kitchen. Columbia river salmon dinners will be a specialty.

Cook expects to keep the present downstairs Tyrrell's tavern open as a breakfast and lunch counter, and may later enlarge it by digging back into the hillside, placing booths by the windows. The dining room will cater to those who want something different in the line of fine food, he said.

FIRST BABY ON RESERVATION

Mr. and Mrs. Albert Bauer are the proud parents of a son, born early in the week at a Portland hospital. Mother and child are reported to be getting along nicely. Mr. Bauer is in Portland on leave. Lively interest has been manifested in the new arrival by government employees at the dam, for the new Bauer heir is the first baby born on the reservation.

REPAIRS MADE TO LOCKS

A cable used for opening one of the government locks gates at Cascade Locks was replaced last week. A diver from Portland was employed to shackle it on under water. Old cable, in service for three or four years, was getting worn, was replaced as a safety measure.

PISTOL RANGE COMPLETED

The pistol range in the basement of the Bonneville dam reservation auditorium now resounds to the crack of pistols and rifles following its completion last week. Nothing larger than a .22 calibre is allowed. Marksmanship contests will probably be held on the range within a short time.

FUNERAL SERVICES HELD FOR MRS. BARRY

Funeral services were held July 17 at Salem for Mrs. Jack Barry, who died at her sister's home in Multnomah July 13. Mrs. Barry had been in good health and excellent spirits. She went down to Multnomah before the Fourth-of-July for a visit. She suffered a hemorrhage of the brain July 9, and although desperately ill, was believed to be on the way to recovery when stricken with pneumonia. A few hours later she suffered another hemorrhage.

Born in Orestia, Okla., 34 years ago, Mrs. Barry came to Oregon with her parents a number of years ago. She married Jack Barry at Salem in 1921. A year ago she and Mr. Barry removed to Cascade Locks, where they made their home while he was employed on the dam. He is now engaged by Orino, Berkemier & Saremal on the railroad contract.

Besides her husband Mrs. Barry leaves a little girl, Cora Elizabeth, 12, and her parents, Mr. and Mrs. J. L. Johnson, of Salem; a sister and five brothers.
