Friends of Jack Meehan, former resident of Cascade Locks, will be pleased to know that he is shop superintendent for the MWAK Co. on the Coulee dam. Mr. and Mrs. Floyd Hale visited him two weeks ago and he wishes to be remembered to his many friends working on the Bonneville dam.

Mrs. R. J. Wuner motored into Portland Friday afternoon and was joined Saturday afternoon by her husband, "Pop" Wuner. Ollie Long played with the Missions in the coast league last year.

Mrs. C. Mae Jones is leaving the last of this week for West Union, Iowa. She has just recently received word that her mother, Mrs. T. D. Reeder, of that city, who will be 89 on her next birthday, slipped and fell, breaking her hip. Mrs. Jones' daughter, Mrs. Kelly Green of New London, Conn., is on her way west to take care of Mrs. Jones' property until she returns.

One of the outstanding Halloween parties of the younger set was the one given by Mr. and Mrs. Marvin Piper for their son, Kenneth. Kenneth's guests included Darrell Strader, Harrison Wade, Lawrence Costanza, Norman Haggard, Bob Morgan, Richard Kenny. Halloween games were played and real Halloween refreshments were served.

PRICE OF MILK UPPED; NOW SELLS AT 11 CENTS

Milk advanced to 11 cents a quart last Thursday in the Bonneville Dam area. The increase of one cent was made effective by the dairies Friday morning. In upping the price the dairies acted upon instructions from the Oregon State Milk Control board with headquarters in Portland. Milk has been selling for 11 cents in Hood River, but remained at 10 cents in Cascade Locks and vicinity for months. The increase brings all of Hood River county up to the same level.

At the Theatre

Continuing the policy of bigger and better shows for the fall season the Roosevelt Theatre at Bonneville this week is showing one of the best schedules for the entire week that has been presented in this area in some time.

A mystery story, a western, and a comedy are on the bill. Manager Phillips has worked out his time, filling up short pictures with comedies and newsreels so that the second show will start as close to nine o'clock as possible. The recent raise in price makes it possible for the showing of very recent hits and longer programs.

Ronald Coleman returns after a years vacation in one of the best mystery stories of the year. The story of "Bulldog Drummond" is based on the latest novel by H. C. McNeile, depicting the further exploits of the lovable adventurer. The excitement starts when Drummond attempts to unravel a completely baffling mystery for a beautiful young girl whose uncle disappears strangely in the London house of a sinister Oriental prince.

Four former stars of the silent days appear in Paramount's new Zane Grey romance, "Wanderer of the Wasteland," coming Sunday, Monday and Tuesday.

They are Monte Blue, Anna Q. Nilssen, well-known leading woman, Jack Mulhall, former leading man, and Raymond Hatton who who won fame as a comedian.

Wednesday and Thursday brings Gracie Allen and George Burns in "Here Comes Cookie."

TO LOSE FAT EAT SENSIBLY

Go light on fatty meat, butter, cream, and sugary sweets—eat fresh vegetables, fruits, fowl and fish (except salmon and mackerel)

Be sure and take a half teaspoonful of Kruschen Salts with the juice of half a lemon in a glass of hot water before breakfast every morning.

Mrs. J. R. McCausland of Pittsburgh writes: "I took off 8 lbs. in two weeks with Kruschen. I ate as usual and feel fine."

Pay no attention to gossipers who say there is no safe way to reduce. Millions the world over take the little daily dose of Kruschen not only to banish excess fat but to keep stomach, liver, gall bladder, bowels and kidneys in healthy working condition.—Kruschen costs as low as 40c.

No more cathartics—no more laxatives, and no constipation when you take your little daily dose of Kruschen. Bonneville Drug Co. and druggists everywhere.
