After the jar is empty if you are not satisfied with improvement in health get your money back.

The largest Sunday crowd ever to attend a dance in the dam area swayed to the smooth music of Sunny Brooks and his boys. Frank Walker, who arranged to have this band appear, is making arrangements for the appearance of another famous band within the very near future.

Work was begun this week on the huge ventilating and heating system to be installed in the Columbia Gardens ballroom. If everything goes as planned the system will be complete for the dance Saturday night.
