CHAIRS DONATED FOR SUNDAY SCHOOL CLASS

This week, through the kindness of friends, enough money has been donated so that the kindergarten class at the Community M. E. Sunday school of Cascade Locks, will have 15 new chairs for the little people.

This class, which Mrs. R. J. Wuner took over last summer when it had six enrolled, now has an enrollment of 25 with an average attendance of 19. The class is made up of boys and girls between the ages of three and six with one seven-year-old in the class. Funds were not solicited, but were offered when the need was expressed.

VOTE HUNTING TOUGH CANDIDATE TELLS WHY

A southern California candidate makes the following expense report, of the recent election:

"Lost four months and twenty days canvassing; lost 1350 hours sleep thinking of election; lost two teeth and mess of hair in personal encounter with opponent.

"Donated one beef, four pigs and two sheep to a barbecue; gave away two pair of suspenders, five calico dresses, five dolls and twenty rattles.

"Kissed 126 babies and fixed four flat tires; gathered 125 boxes of oranges; threshed beans thirty-nine hours; milked thirty-seven cows; walked 4976 miles.

"Shook hands 9000 times, told 10,000 lies and talked enough to fill 10,000 volumes; attended seventy-nine barbecues; paid for newspaper and radio advertising.

"Was baptised four times by immersion and two the other way; made love to nine grass widows; got dog bit thirty-seven times.

"AND THEN GOT DEFEATED," from San Francisco Call-Bulletin.

Unnecessary Words
"Here," said the editor, "you use too many words. You say 'He was poor but honest!' You have only to say that he was honest. Again you say, 'He was without money and without friends,' simply say 'he was without money'."

Carlson and his father H. L. Clark.

Clever Mrs. Pierce SHE LOST 50 POUNDS OF FAT

Feel full of pep and possess the slender form you crave. You can't if you listen to gossipers—Mrs. Pierce has a mind of her own.

To take off excess fat go light on fatty meats, butter, cream and sugary sweets—eat more fruit and vegetables. Take a half teaspoonful of Kruschen Salts in a glass of hot water every morning (tastes fine with juice of half a lemon added)—Kruschen is as low as 40c.

Mrs. W. L. Pierce of Tiffin, Ohio, writes: "I've taken off 50 lbs. with Kruschen in 6 months. I was 238 and intend to continue till I'm 154."

No more cathartics—no more laxatives, and no constipation when you take your little daily dose of Kruschen. Bonneville Drug Store and druggists every where.
