### BIG DANCE SLATED FOR MERRILL'S THURSDAY

Johnny Walker and his "Orchestra" for three years the pride of Boulder City, will again play at Merrill's Columbia Gardens this Thursday night.

At Boulder city Walker organized his own band and played for all main functions and occasions. Here Walker has again worked a group of local boys into one smooth dance band. For three

months this group has been practicing in private and playing at some small dances around. It was just this past week that Walker decided they were good enough to handle last Saturday night at the Columbia Gardens.

Since he left Boulder, Walker managed Marvin George and his

orchestra, who were through on two different occasions. Previous to being at Boulder, he toured Arizona, New Mexico and Texas with his own band. Johnny Walker is known locally as Frank J. Walker, owner and operator of the Locks Club in Cascade Locks.
