

Cross Stitch Kitchen Towels That Are Fun to Embroider—or Give Away

Pattern 787

Just a bit—but a telling bit—of decoration is all that's needed today to make our household linens smart.

And so, simple cross stitch brings color and life to humble tea-towels which make dish doing a pleasure rather than a duty. These motifs of glassware and china—in cross stitch—are easy to embroider. This half dozen makes fine pick-up work, and also a grand prize for a bridge party—or most acceptable for a fair donation.

Pattern 787 comes to you with a transfer pattern of six motifs averaging 4½ by 9½ inches; details of all stitches used; and material requirements.

Two Lovely Blouses That Will Give Your Suit That Feminine Appearance

Blouses have to go a long way toward giving the tailored and mannish suits a sweet and feminine appearance. The model at the top is a new lingerie blouse made of madonna blue crepe de chine and trimmed with tiny crystal buttons. Soft puff sleeves tightly banded and a fluffy bow at the throat contribute the feminine touches.

At the bottom is a most attractive

shirt blouse—it has a charming Peter Pan collar and buttoned panel for the waist closing—the model is made of batiste with either short sports or long bishop sleeves.

Barbara Bell Pattern No. 1850-B—both blouses—is available in sizes 14, 16, 18, 20; 40 and 42. Corresponding bust measurements 32.

1850-B

34, 36, 38, 40 and 42. The top blouse requires 1½ yards of 35 or 30-inch material for size 16 (34), and blouse (B) requires 1¾ yards or 2½ yards with long sleeves, size 16 (34).

All Around the House

Peroxide will remove perfume stains from linen bureau scarfs. Keep a blotting pad under scarf to protect dressing table or bureau top when perfume is spilled on it.

If the paint on the outside of your house has blistered it may be necessary to take off all old paint. No paint will bond well with poor old paint.

Lard used in deep fat frying should be strained through cheesecloth after use to remove the food particles which accumulate in the kettle. © Associated Newspapers.—WNU Service.

SMOCKS, FAVORITE OF MODERN WOMEN

Smocks, wide and long, with full sleeves, that button snugly but comfortably at the wrist, are the modern woman's favorite kitchen wear.

These smocks have more than the advantages offered by the coverall apron, for they will protect the loveliest dress, they can be donned in a hurry over an afternoon or dinner dress if it is necessary to do any last-minute preparation or serving in the kitchen.

Smocks are attractive, too, and much more flattering for morning house wear than the old-fashioned bungalow apron. The smock that has long sleeves which unbutton just above the elbow is popular with many women who like to have bare arms when doing any strenuous cooking.
