HIGH SCHOOL WILL STAGE RARE DRAMA

If you have the desire to see a husband in hot water for staying out too late, or the antics of a crazy Irish maid, or the meanderings of an unsuccessful fixer, or the dapper wisecracks of a college senior, or the sad plight of the wife whose husband has disappeared, or the law-enforcing of an Irish copper, the harsh and haughty mother-in-law, the goggly-eyes of a little Turkish girl, the worries and troubles of the wife's sister, then come and see "Safety First".

It has all the elements that combine to give you entertainment of continuous laughter. The sight of the mad Turk dashing through the house after anyone and everyone will have you uproarious. The hard-boiled Erin copper with a soft spot in his heart for the Irish maid will afford you moments of glee.

The explanations of the two late husbands and the fixer will make you want to die for want or lack of wind.

Jack Montgomery Dave Johnson is the husband who attempts to stop his cousin's attachment for the little Turkish girl (Virginia Tessier). His partner in the evening's entertainment is Jerry Arnold (Bob Douville).

Zuleika is arrested for telling fortunes and in the fracas a policeman is kicked in the stomach by Jack. A get-away is manipulated and the police put McNutt on the case. The wife, Mabel, (Clara Achord) is assured by her new Irish maid, Mary Ann (Jane Geitner), that her husband is burned up in a lime kiln. The mother-in-law, Mrs. Barrington Bridges (Barbara Smith), enters and is shocked at finding that Mabel is seeking a divorce—but why go on. You must see this drama, comedy, farce or what you will. It opens at the high school auditorium May 15 at 8 p.m.

LIGHTNING STRIKES COLUMBIA HI-LINE

Hook-tenders on Columbia Construction company's high-line number 5 got a scare that will last them for awhile Tuesday afternoon, when in the midst of the electrical storm, a bolt of lightning struck the main gut on the high-line, sending showers of light flickering along the steel ribbon.

Fortunately no one was riding the bucket or there might have been serious consequences to the freak accident. The hook tender working that line had just stepped off the bucket and the load was on the way across when the lightning struck. No damage was done, but there was an eerie moment or so when the sky was lighted up by the flickering display.

MCDONALD MARRIES MISS HELEN DEATON

F. J. McDonald of the National Commissary company stole a march on his friends during his recent trip to the south when the news leaked out that there were ulterior motives in his so-called business trip. Nuptials for the fortunate pair were held April 11 in Pasadena.

Friends were wondering why "Mac" was taking so long on his trip and when he popped up in Bonneville with a brand-new bride there was general rejoicing. The Chronicle extends congratulations.

YOUNG THESPIANS STAGE NEW COMEDY

"Family Mix", comedy drama of the light and airy variety of stage shows, amused a well filled house at the high school auditorium last Wednesday evening as local boys and girls strutted their stuff before admiring parents and friends in a penit stage for the church.

The play well deserves its name, "Family Mix", and only after a most complicated going around and round and the general scrambling of the characters and their lives, did any normal arrangement come about. Laughs were many, and the actors deserve a good deal of credit for their performance. Music and candy helped to fill in the intervals between acts. It is hoped that there may be more of these entertainments which are doing much to revive interest in the social life of the church.

MEN OF CHURCH TO FORM BROTHERHOOD

Men of the local parish are planning to form a brotherhood of men of the church. The first meeting was held last evening with a pot-luck dinner served for their benefit. The meeting was followed by an hour of singing, songs and readings.

The men then discussed the formation of a brotherhood in the community which will in effect be a masculine angle of the Ladies Aid society. Further plans for the formation will be worked out at a meeting.

It will be borne in mind that the purpose of the new organization will be the same as the three-gram of the Ladies Aid. They will be financial, social and spiritual help to the church and community.
