**105 SCALE HOOD
IN LEGION CLIMB**

One hundred five climbers, of whom nine were from outside of Oregon, scaled Mount Hood Sunday in the sixteenth annual climb sponsored by Hood River post, No. 22, American Legion. This number does not include 20 guides, all members of the Crag Rats, who also made the climb.

Included in the party were John R. and Alex S. Kellman, Duluth, Minn.; Douglas Gordon, West Orange, N.J.; B. P. Douglas, Oak Park, Ill.; Marian Burgie, Sayville, N. Y.; R. H. Collins, Bellaire, Ohio; W. Sampin, Tulsa, Okla.; Kathryn and Marion Price, Rochester, N. Y.; H. Stone Hull, Salem, L. M. Bechtold, Prineville; Walter Bednit, Heppner; Mr. and Mrs. Merrill Richmond, Bremerton; Fred Schipman, North Bend.

Ages of the climbers ranged from 14 to 70 years, while 26 of the 105 were women.

Several hundred persons camped at Tilly Jane Legion camp below Cooper spur Saturday night, and attended the program which was capped by the lighting of red flares set every 100 feet up the mountain-side from Cooper spur and down the northwest slope. Skyrockets and bombs were set off from the summit shortly after 10 P.M.

Perfect weather held both Saturday and Sunday. There was little wind on the mountain, and the air was warm but not uncomfortably so.

Kent Shoemaker, who has headed every climb committee but one since the event was established in 1921, was general chairman. P. F. Bucklin was chief guide.

Members of the club have been grooming their vessels and tuning up their motors for several weeks past, and will be glad to take visitors for short cruises in the river. There will be plenty of tables, and free ice cream will be served.

Picnickers may put in an appearance as early as they please as the grounds will be open all day Sunday.

**OLD HANDCUFFS ARE
FOUND BY DOUGHERTY**

The tree stands near Charley Olin's cabin, hard by the government reservoir. The handcuffs probably have not been used for three or more decades.

The plates, which are 106 years old, once belonged to Mr. Brolliar's mother, who used them constantly until her death.

**RANKIN DISCOVERS
HE'S NOT JUSTICE**

Armed with an appointment typed over the signature of Governor Charles H. Martin, C. L. Rankin of Cascade Locks went from county office to county office in Hood River Thursday attempting to discover why he was not a justice of the peace.

The reason was made clear by a letter from District Attorney John Baker to Governor Martin, explaining that the Hood River county court had agreed to take under advisement the matter of creating a justice of the peace district at Cascade Locks at their meeting July 1, but that the clerk had inadvertently noted that the district had been allowed. The court is unanimously opposed to creation of the district, according to Baker's letter.
