Mellon, right, the society's bronze plaque "for outstanding service to chemistry." Young Mr. Mellon accepted in the name of his father, the late R. B. Mellon.

Smallest National Park

Hot Springs, Ark., about fifty miles south and west of Little Rock, has been a national park since 1921, though it has been a national reservation under the protection of the government since 1832. Said to be the smallest national park with an area of only one and a half square miles, it contains forty-seven boiling springs.

Takes Name From Forest

Academy, originally, was the name of a grove near Athens where Plato gathered with his followers. In time, the school of philosophy headed by Plato took the name of the grove where its doctrines were first taught. Academy in the modern sense refers to either a group of learned men or, more commonly, to a school or college.

SPAIN'S PREMIER

In the reorganization of the Spanish cabinet the post of premier was given to Francisco Largo Caballero, left Socialist leader. He also took the portfolio of minister of war.

Law of Human Nature

It seems to be a law of human nature that some should always be desiring changes while others are more concerned with the preservation of things as they are.
