

We Want

Keeler for Mayor

Keeler is the best man available for the office and we believe he will give the city of Cascade Locks an administration that will bring the city to its rightful place, in the front.

Because

- ◆ He is young, intelligent, and ambitious.
- ◆ He thoroughly believes in the future of Cascade Locks and is enthusiastically active in support of this belief and wants to make Cascade Locks one of the best towns on the Columbia River.
- ◆ His past performance as a member of the Cascade Locks Chamber of Commerce, of the Mid-Columbia Chamber of Commerce, and of the Associated Chambers of Commerce assures us of his future activity in furthering the interests of our city.
- ◆ He has worked ceaselessly for the water grade highway, the Bonneville Power rate and was one of the prime factors in giving Cascade Locks adequate supply of pure water for domestic use and fire protection.
- ◆ He has demonstrated his abiding interest in our public schools and play grounds for the children.
- ◆ He has a pleasing personality and is capable of creditably representing Cascade Locks anywhere and under all circumstances.
- ◆ The time has arrived for aggressive action to insure Cascade Locks' future development and to make it the industrial and recreational center that its peculiar advantages justify.
- ◆ We know of no other man in the city who measures up to our present need like

BILL KEELER

Statement by William Keeler

I believe we should have a New Deal for Cascade Locks and that with proper cooperation we can make Cascade Locks a real City in the Gorge.

I promise to work unceasingly to bring factories and a payroll to this city so that all of us so-called Fly-by-Nighters will eventually be old timers and boosters for Cascade Locks.

I promise to do everything in my power to make Cascade Locks a city that will have steady employment for several hundred men.

(Signed)

W. N. KEELER.

(Signed and paid for by Keeler for Mayor Club, Hiram Smith, Sec.)

BONNES WIN AGAIN

Cascade Locks grade school basketball team failed to get revenge on the Bonneville squad Wednesday on the government grounds, losing out, 13-6.

Bud Potts again was the only Cascade Locks player to score. The week previous the two teams clashed at Bonneville, with the latter winning out, 23-6. Potts scored for the Locks and Bill Murray chalked up 12 of the Bonneville outfit's 23 points.

Both games were well attended, drawing about 150 persons each.
