

Eagle Creek

Mrs. L. N. Vallien of Cascade Locks visited their son and daughter-in-law, Mr. and Mrs. Orel Haven Nutting, here Wednesday. Mrs. Haven Nutting made a trip to Portland Thursday. Mrs. C. A. Strom of Dodson visited their daughter and son-in-law, Mr. and Mrs. Virgil Garner, Saturday and Sunday. Mrs. John Blevins, brother-in-law of Russell Blevins, came from Monmouth last week-end to visit the Blevinses here. Mrs. Ed Clark were in Hood River last Thursday. Tom Waring entertained members of the bridge club Wednesday.

Kathleen Waring had several guests at dinner last night in celebration of her tenth birthday. Another birthday dinner party was given this one by Mrs. Fred Snider in honor of her husband's anniversary. The Sniders spent the weekend in The Dalles. Mrs. Emil Parmentier has returned from Hood River, where she spent several months working during the harvest for the Apple Growers association.

PUBLICATION OF SUMMONS

The Circuit Court of the State of Oregon, for the County of Hood River.

E. Vale, Plaintiff,
vs.
F. Vale, Defendant.

RUTH F. VALE: IN THE NAME OF THE STATE OF OREGON.

You are hereby required to appear and answer the complaint filed against you in the above entitled case on or before six weeks from the date of first publication hereof, and if you fail to answer, for want of proof, plaintiff will apply to this court for relief as prayed for in his complaint, to-wit: for the dissolution of the bonds of matrimony here and now existing between plaintiff and defendant.

This summons is served upon you by way of publication, by virtue of the order of Fred W. Wilson, judge of said court, made on the 7th day of October, 1936. Said summons to be published for six consecutive weeks in a newspaper published in Hood River County, Oregon. First publication October 16, 1936, last publication November 20, 1936.

A. COBB, Attorney for Plaintiff, Cascade Locks, Oregon. o16-n20

Great Britain consumes 200,000 tons of cake annually.

NO EPIDEMIC

Like the reports of Mark Twain's death which he himself said were "greatly exaggerated," there is no truth to rumors that a serious epidemic struck Mosier Wednesday of last week.

Some of the faithful who voted for Landon merely felt like spending the morning in bed one of our Mosier operatives informs us.

Greek architects discovered that a series of wide stairs with absolutely straight edges were displeasing to the eye. They built the staircase before the Parthenon on the acropolis with such subtle curves that modern-day engineers have taken it as a standard of excellence, both architecturally and mathematically.

Bonny Villa

Mr. and Mrs. F. L. Ferrington were dinner guests at the Glenn Ferringtons' Sunday. Monday Mr. and Mrs. J. T. Conwell, proprietors of the Willowa lake lodge and sister and brother-in-law of Glenn Ferrington, visited in Bonny Villa for two days. Tuesday the E. Ferringtons from Portland called, so Glenn has seen all his brothers and sisters this week.

Last Thursday Mr. and Mrs. Tom Braund visited Mr. and Mrs. Neils Kroner, formerly of Bonny Villa, in North Bonneville.

Secrates committed suicide by drinking hemlock.

Growth of Oysters

It requires from four to six years to produce a good oyster, says a writer in Literary Digest. First the oyster clutch is planted every July. Little more than an old shell, this provides a rough surface for spawning. And a single female oyster can spawn from five to fifteen million eggs a year. On their first birthday the fittest youngsters are transplanted to an oyster farm. There, they grow up for a couple of years before being taken to still another home. At least another twelve months, often two years, pass before they are harvested. The oyster season, for fishermen and eaters alike, is from September to April. In the summer they are believed too light of weight to be tasty; therefore their year is only during the "r" months.

Farm mortgages in the United States total about \$9,000,000,000.
