

Bonnevue

(By Mrs. Walter McElroy)

Mr. and Mrs. N. A. Wilson and small son of Kinzua arrived Saturday night at the home of Mr. and Mrs. Dean Condon. Mr. Wilson returned home Sunday night but Mrs. Wilson and baby will remain for a two week's visit with the Condons.

Kenneth Anderson drove to town Wednesday evening and returned on Thursday accompanied by Mrs. Anderson who spent several days in Portland.

Mrs. Bud Winslow and daughter Marilyn went to Portland Monday evening to spend several days.

Loren Ferebee of Neah Bay, Wash., nephew of R. C. Goodrich was a week-end visitor at the Goodrich home.

Mrs. Tom Dippery returned home last week after spending two weeks in Portland.

Word received from Mr. and Mrs. Jack Anderson and son Billy tells us they will locate in Pittsburgh and not Minneapolis as they had planned on their departure from Bonneville.

Mrs. Charles Black accompanied by Mrs. A. Duncan, was a Portland visitor Wednesday and Thursday of last week.

Mrs. Charles Shinn shopped in Hood River last Saturday.

Mr. and Mrs. Everett Tucker drove to Portland Saturday. Mrs. Tucker remained over the week-end with her parents, Mr. and Mrs. E. Maurer.

Mr. and Mrs. O. H. Johns motored to Gladstone to spend Mother's Day with Mrs. A. E. Tombleson.

Miss Jeanette Schmidt, Howard Van Nuys, Walter Schmidt and Johnnie Miller all of Portland were visitors at the home of Mr. and Mrs. Kenneth Anderson Sunday.

POPPY DAY SET MAY 28 AND 29

Poppy day will be observed in Hood River county this year on Friday and Saturday, May 28 and 29, the chairman of the poppy committee of the local unit of the American Legion auxiliary has announced. Extensive preparations for the observance of the day are being made by the Auxiliary women.

Memorial poppies, to be worn in honor of the World War dead and to raise funds for the welfare of the disabled veterans and needy families of the dead and disabled, will be distributed throughout the city. A corps of "poppy girls" will be organized to offer the flowers to everyone on the streets during the day and to receive contributions for the Legion and Auxiliary welfare funds. The flowers have been ordered from the Portland Veterans' hospital where they have been made by disabled veterans.

Homemakers' Exchange

of Helpful Household Hints and Recipes

Conducted by ELEANOR HOWE

Instead of using a grater to grate fresh soft cheese, force it through an easy-to-clean strainer made of sturdy wire with about a 1/8 inch mesh.

For a new and delicious "something to serve," try rolling doughnuts, while they are still hot, in a mixture of powdered maple sugar and cinnamon.

Here's an inexpensive substitute for crisp celery. Slice succulent young carrots into thin slivers and serve them on a bed of crushed or shaved ice. This is one of the niceties of table service that has been revived; and with a modern ice refrigerator the homemaker can always have plenty of crystal-clear ice on hand to use for such purposes.

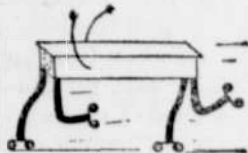

When washing windows, use a 10c plate scraper, with the sides cut so they are straight. You will find the straight edges of the scraper a tremendous help in getting dust and dirt out of window corners.

CINNAMON ICE REFRIGERATOR COOKIES: Cream 1/2 cup butter and add 1 1/2 cups light brown sugar gradually. Beat well. Add 2 eggs (well-beaten) and 1 teaspoon vanilla extract. Mix well. Sift 2 cups bread flour, 2 teaspoons baking powder, and 1 teaspoon cinnamon and add to first mixture. Add 1/2 cup dates and 1/2 cup broken nut meats, slightly floured. Make into rolls approximately 1 1/2 inches in diameter, roll in wax paper, and chill in modern ice refrigerator. When ready to bake the cookies, slice off the number needed and return the remainder to ice refrigerator, where the dough will keep fresh. These wonderful new ice refrigerators provide moisture

which prevents rapid drying out of foods, and they provide circulating air which eliminates mingling of food flavors. When ready to bake these Cinnamon Ice Refrigerator Cookies place the slices on a greased baking sheet and bake in a hot oven (450°) approximately 10 minutes.

To save yourself steps between range and kitchen table, just screw common casters on the legs of your kitchen table. You can then roll the table wherever you wish and save yourself steps and energy.

A VELVETY CHOCOLATE MOUSSE made in a modern still-freezer: Place 2 squares unsweetened chocolate, 1/4 cup strong coffee infusion, 1/4 cup top milk, 3/4 cup sugar, and 1/2 teaspoon cinnamon in top of double boiler. Cook until chocolate is dissolved. Cool and add 1 teaspoon vanilla extract and 1/2 teaspoon salt. Fold in 1 pint whipped cream. Pour mixture into freezing container of still ice-cream freezer. Cover and surround with a mixture of chipped ice and salt (3 parts ice to 1 part salt, by volume.) Cover freezer. Place in modern ice refrigerator. Freeze for 1 hour. This recipe will produce a smooth crystal-free product due to the fast freezing made possible by the ice and salt mixture.

To intrigue the kiddies with a tempting, unusual salad, take hard-cooked eggs while they are still warm and carefully manipulate them into the shape of an apple; press down at stem and blossom ends. Then insert a clove for the blossom and a sprig of parsley for the stem. With a small brush color the egg carefully with food coloring to resemble an apple. Serve on lettuce with mayonnaise.

FOREST SERVICE NEWS

Sixty-five students from the Oregon State college of forestry arrived at the Eagle Creek forest camp in charge of Professor T. J. Starker Thursday afternoon May 6. Many of the students will be stationed on various forests in this region this summer and were greatly interested in the various recreation improvements they inspected on the camp grounds.

The group left Eagle Creek for the Wind River experiment station where they will spend the next two days inspecting the nursery and various experimental plots.

H. A. Calkins, from the office of engineering, forest service, Missoula, Montana, inspected the Eagle Creek

forest camp grounds May 6 and the many improvements that are now being made.

Sunday May 2, with the temperature at 85, brought more than 1,854 visitors to the Eagle Creek picnic grounds. Two CCC boys were needed to assist the ranger in handling the traffic. Many complimentary remarks were made by the visitors on our many new rustic tables, stoves and the suspension bridge.

Style Show Planned
