

Louis Is Crowned Heavyweight Champ of World

Scene at the recent world's heavyweight championship fight in Chicago, as Champion Jim Braddock sinks to the canvas under the knockout blows of Challenger Joe Louis in the eighth round. Inset shows the new champion after his victory. Only twenty-three years old, Louis has been in the professional ring three years.

"Mosquito Control" Essay Wins \$500

An essay on "The Importance of Mosquito Control and the Gorgas Memorial" brought a check of \$500 to William L. Drake, Jr., of Milwaukee, Wis. The check was presented to young Drake in the White House. Photograph shows, left to right, Mrs. Henry L. Doherty; William Drake, receiving the award from President Roosevelt; Admiral Carey T. Grayson and Senator F. Ryan Duffy of Wisconsin. The essay contest was the eighth annual in memory of Maj. Gen. William C. Gorgas.

Their Invention Aids the Law

William B. Spooner (left) and Frank F. Heitzler, both of Boston, the inventors of a new third dimension diamond camera by the use of which photographs can be made through a diamond to show all defects and cuts so that a stolen stone can be identified in a matter of minutes by police departments, are shown. Without their camera it is impossible to make a positive identification of a stone after it has been in use for any time. The diamond is recorded in much the same way that finger prints are recorded.

Fifield Family Sets Record for Producing Twins

Ten of the thirteen children of Mr. and Mrs. Harry Fifield of East Thompson, Conn., who recently became the proud parents of their sixth set of twins in little more than a decade. The first set of twins, a boy and a girl, were born in 1926. Twin girls followed in 1928 and 1929. Another mixed set came in 1932; twin boys in 1935 and the current boy and girl recently. Picture shows ten of the thirteen children in the Fifield family.

IN WAR DEPARTMENT

Col. Louis A. Johnson of West Virginia, who has been nominated by President Roosevelt as assistant secretary of war. Johnson, a former national commander of the American Legion, will take over the place made vacant when Harry H. Woodring moved up to the secretaryship.

Mechanical Reveille Supplants Bugler

Private Frank Kaufhold, of the Second air base at Mitchell field, N. Y., seems amazed as he hears Mitchell field's new mechanical bugle blow the familiar strains of "Reveille." His own bugle is now outmoded with the new contraption that has been adopted here. Although it takes some of the romance from army life, bugle calls, mechanical ones we mean, now have exceptional clarity and perfection.

"Life Belt" Seat Makes Flying Safer

This adaptable smoker is demonstrating a new safety chair used by the Imperial Airways flying boats. The apparatus consists of special cushions, built on the float-on-air principle, which form the upholstery of the passenger seats and can quickly be transformed into a life-belt. It weighs only five pounds and can support a weight up to 230 pounds in the water.
