'Automovie' Show Due Here Saturday

Bob Bartol, local Chevrolet dealer, advises us that his company is sending its outdoor theatre to visit Hood River on Saturday, August 21.

This outdoor theatre — known as an Automovie—will show free movies on the Freygang Parking lot, diagonally across the street from the Bartol Motor Company's salesroom so that anyone who cares to may see how modern cars are made, besides many other pictures of interest to every one.

The Automovie is on a truck chassis, 25 feet long, seven feet wide, and weighs five tons. It is painted in a beautiful combination of blue and silver with the picture screen on the back of the truck, and it uses rear projection permitting the pictures to shine through the screen. Also, it has a complete power plant for use in running the picture machine and sound equipment. There are only six of these beautiful Automovies in the United States, and this is one of them.

ORDER Your tomatoes now. Also fresh tomato juice for canning. Bring your own containers. Phone 5968 or 5971, or get them at Barney's Stand, 1 1/2 miles south of Heights. Jy26tf

Mr. and Mrs. Jim Caddy and Mr. and Mrs. Max Klingensmith of North Loop, Neb., are visiting with Mrs. Caddy's sister, Mrs. A. G. Negley.

45,000 Motorists Sign Safety Pledge

Ambulances, taxis, dray trucks, soap-box racers: operators of nearly every type of conveyance on the streets this week hastened to sign up with safety via the White Cross Safety Pledge.

The Oregon motorist's pledge provides that each vehicle operator who accepts the vow must at all times accept his personal responsibility to conserve life through watchful conduct behind the wheel and careful observance of all safety provisions.

Approximately 45,000 motorists in all parts of the state already have requested the White Cross Safety Pledge, which—contained on a small red, white and blue windshield sticker—is available for every Oregonian who drives a car.

Business firms are distributing the pledge to all employees.
