CONGRATU

The opening of the NEW CASCADIAN THEATRE marks the 24th year of A. S. Kolstad's presence in the theatre business in Hood River. When Kolstad first came here, he acquired the Gem Theatre in the building where the Mt. Hood Cafe is now located. There he presented the finest in dramas and serials of the day and it was there that both he and Mrs. Kolstad made their first appearance in the pit, giving the old silent motion pictures that needed added touch—(Mrs. Kolstad at the piano and A. S. at the drums and xylophone.)
