A trial of a sea captain which electrified the world some 90 years ago is powerfully and brilliantly brought back to life in the epic motion picture, "Souls at Sea," which opens at the Rialto Theatre on Monday, to play for three days.

Played by an excellent cast headed by Gary Cooper, George Raft and Frances Dee, "Souls at Sea" is the story of "Nuggin" Taylor, an ex-slave trader, played by Cooper.

BONNEVILLE P.-T. A.

The P.-T. A. card party, held Friday, October 15, in the Civic auditorium was quite successful. An enjoyable time was had by all. Mrs. Laxton received the prize for selling the most tickets. Prizes were also given in cards. Delicious pumpkin pie and coffee were served.

The P.-T. A. membership drive ended in a big way this week. Miss Stevens' room, the third graders, brought in the greatest number of members.

The school cafeteria, under the sponsorship of the P.-T. A. is progressing nicely. The children are quite elated over the hot lunches. The various mothers take turns in serving each week.
