

CASCADE LOCKS HIGH SCHOOL

(By Virginia McMullen)

Friday evening, Feb. 17, the local Pirates played a basketball game with Mosier on the opponents' floor. Both teams were lucky and had a victorious evening. The lineup for the second team was: Bob Morgan, Clarke Brathord, Jimmy Merrill, Dub Merrill, Bobbie Hyde, and Norman Lovell. The first team lineup was Chet Woodward, Hank Brink, Cliff Woodward,

Noble Hyde, Bo Jenkins, and Jim Smith.

With this victory, Cascade Locks is definitely in third place in the league unless they defeat Odell Friday night. Then they will be tied for second place. The league standings at present are: Parkdale, 1st; Odell, 2nd; Cascade Locks, 3rd; and Mosier 4th.

Last Monday night Hood River County voters of Cascade Locks held a meeting in the high school gymnasium.

Friday night there will be a basketball game between Odell and Cascade Locks on the home floor. We want everyone to be there because it will probably be the most exciting game of the season. Prices are 10c and 15c.

Mr. Gibson, the Hood River County School Superintendent, visited classes of both schools Wednesday morning.

The Junior Class had a pot-luck supper and class meeting in the high school kitchen Wednesday night, Feb. 15, with Miss Crookham as advisor. Plans for the Junior Prom were discussed.

Tuesday night the Hood River Seniors played the first team Locks while the Sophomores played the local second team. Both games were played on the home floor. The second string with the same lineup as the Mosier game were victorious by a score of 22-17. Luckily this was a no-league game and had no effects on the league standings because the first team was defeated by a score of 37-29.

Wednesday night, Feb. 22, the Senior class had a chicken dinner

in the high school kitchen. Each Senior class member contributed to the eats.

The girls' physical education class had a pot-luck supper in the high school kitchen before the game Tuesday night. Songs were sung and a majority attended the basketball game afterward.

The sophomore class had a class meeting Monday. Plans for editing the school paper were discussed.

In the English I Class, spelling matches have been taking up class periods during the past week. Finals will be held Monday. Semi-finalists are: Irene Walker and Bobby Hyde against Helen Rosenback and Virginia McMullen. Prizes will be tickets to the new theatre that is being erected.

CASCADE LOCKS GRADE SCHOOL

A gentleman from Farm Journal visited the school Monday. The fifth and sixth grades are selling subscriptions for the Farm Journal. The room gets 30% of what they make. The magazine has interesting stories and timely articles of interest to the whole family.

The boys had a basketball game with Odell. The first team lost by a score of 16-12 and the second team won.

A game is scheduled with Stevenson Friday. We all hope it will be as exciting as previous games have been.

SEE how many public benefits brewing has helped create in only five years! How can the brewing industry preserve these benefits for the people and itself?

The answer, brewers realize, lies in with the distribution of their mild, wholesome beverage through responsible retail outlets. Obviously, the brewers can enforce no laws. But they can

—and will—cooperate with all law enforcement authorities to the end that retail beer outlets give no offense to anyone.

May we send you a booklet giving interesting facts about beer, and discussing the brewers' self-regulatory program? Address: United Brewers Industrial Foundation, 19 East 40th Street, New York, N. Y.
