

TIPS to Gardeners

Flowers for a Purpose

GARDENERS want flowers for house bouquets, for beautification of the yard, or both. To be certain of an abundance of flowers for cutting throughout the growing months, however, the gardener need plant packets of only three or four of the following flowers:

Annuals—snapdragon, aster, calendula, calliopsis, candytuft, carnation, bachelor button, cosmos, dahlia, larkspur, annual lupin, marigold, nasturtium, salpiglossis and zinnia.

Perennials—columbine, coreopsis, gaillardia grandiflora, perennial lupin, pyrethrum (painted daisy) shasta daisy and delphinium.

For earliest bloom, the following are recommended by Gilbert Bentley, flower expert: Calliopsis and candytuft among the annuals, and coreopsis, delphinium and pyrethrum among the perennials.

For late-blooming cut flowers, grow zinnia, marigold, gaillardia, snapdragon, aster, cosmos and dahlia.

IT'S an ill censor that blows no picture some good. Warner Brothers' "Yes, My Darling Daughter" is the latest picture to profit by censorship. And anyone who saw the play of the same name on which the picture was based is likely to suspect that the movie moguls who were responsible for the film rather hoped that a little censorship, though a dangerous thing, might result in plenty of free publicity.

New York's state censor board obligingly banned the picture. Whereupon the department of education's board of regents even more obligingly lifted the ban, and the public rushed to the theater where the picture was finally shown, eager to see what all the fuss was about.

In fact, so much interest was stirred up in this darling daughter that the theatrical producer who produced the original play is said to be considering reviving it.

Isa Miranda was so upset when she lost the title role in "Zaza" to Claudette Colbert that she was ready to give up and go home to

ISA MIRANDA

Italy. But when the picture was released she had reason to thank her lucky stars that the cast didn't include her name.

Now Paramount is making it up to her by giving her a grand chance in the re-make of "Hotel Imperial," and has also booked her for "Tempted," which should prove to be something extra-special. And la belle Miranda thinks America is a swell place and is taking steps to become an American citizen.

Rose Bampton may not have Grace Moore's genius for publicity, but her name is practically a household word all over the country, thanks to her radio performances. The first of the Metropolitan Opera company's glamour girls to be initiated into "The Circle," she was called back for a repeat performance. Three days later she had to be back on the East coast for the Hobby Lobby show.

And of course she is always bobbing up on Bing Crosby's program—she has appeared on it nine times so far.

ODDS AND ENDS—Those radio dramas, "Dr. Christian," in which Jean Hersholt has been appearing, will be made into a series of three pictures... Pat O'Brien will star in "The Life of Knute Rockne"... John Wayne did so well in "Stagecoach," Walter Wanger's latest, that Republic is making him a star.

Back Comes Sheer Lingerie Blouse

All signs point to one of the biggest, best and most exciting blouse seasons that has ever gone on record. Which of course is the same as telling you that suits are "tops" this spring and to meet the demands of a suit nothing less than a well-stocked wardrobe of blouses will suffice.

The most important message about the exciting blouse furor that is now going on is the revival of the exquisitely sheer lingerie type which is that naive and innocent and young looking it registers on the style program under such endearing terms as baby blouse and it is just that—a confection of finest batiste or organdie all handworked with wee tucks, embroidery and lace edgings, just too lovely for words.

For practical daytime wear you'll be wanting several washable crepe blouses and the gypsy-stripe blouses are practical too and flamboyantly colorful tuning perfectly into fashion's mood this spring.

Seasonal Shades

Greens and browns will be leading shades for sports clothes.

Wool Weaves for Easter Fashions

New Fabrics Tune to Any Climate or Occasion.

The new wools are that grand and glorious this season they baffle description. Now that wools have become a year-round theme, having been improved in quality, texture and new surfaces so as to tune to any of the four seasons, to any climate to any occasion, formal or informal, a third of the spring Paris collections register intriguing costumes of handsome woolen weaves.

A few notes taken at random stress the following wool news. The importance of flannels for the spring suits and coats is not to be overlooked.

Leading couturiers are doing delightful things with the new thin muslin wools. There are many wool coats and redingote fashions in the spring collections.

Watch duvetynes and velours de laine for summer evening wraps. There is also a new wool crepe out that is slightly shiny. Toile de laine in self tone designs is most attractive. Serge is a fashion favorite for practical wear. Kasha is also again very popular.

In Easter Parade

The practicality of a coat to wear over your gay print frock or your new monotone crepe dress with its stylish crisp lingerie touches is self-evident. This season's coats have gone decidedly stripe-conscious. When you see the handsome new striped woollens in their rich colorings or in smart gray and black you readily understand the "reason why." The stunning model pictured is typical of latest coat trends, and is an ideal choice to wear on Easter.

Gloves Are Worn In Dashing Shades

Your gloves must tune to the color scheme of your costume. The shops are showing doveskin slippers, also fine fabrics in all the new tones, tints and hues. Fuchsia shades lead and violene is also popular. Very smart are the new pink tones as well as a range of blues.

Smart Accessories

A supply of smart accessories, such as scarfs, belts and jackets, will do much to keep a wardrobe smart.

A touch of crisp lace will revive your interest in the plain frock. The fashion world has launched a fleet of "sane hats" for spring.

Ask Doctor About This Ideal Way TO LOSE FAT

READ EVERY WORD!

Make up your mind now that you'll lose some of that ugly fat and really enjoy life. No one can blame you if you don't want to take harmful drugs, go on starvation diets and do backbreaking exercises. No sane woman would! And for sensible women like yourself who really want to reduce yet don't expect miracles overnight—who are willing to faithfully follow a most simple, inexpensive and pleasant 28-day plan, we suggest this easy method—First of all go light on fatty foods and sweets. Eat plentifully of lean meats, fresh fruits and vegetables. And for proper functioning by removal of accumulated wastes be sure to take a half teaspoonful of Kruschen in hot water every morning. Kruschen is made right here in U. S. A. from famous English formula.

And let's get this straight right now about Kruschen. It is not harmful. It is NOT just one salt as some people may ignorantly believe. Look on the box! You'll see it is a blend of 6 active minerals which—when dissolved in water—is similar to the famous medicinal Spa waters where wealthy women have gone for years.

A jar of Kruschen costs but a few cents and lasts 6 weeks. Get a jar RIGHT AWAY! At druggists everywhere.
