The fifth and sixth grades received 30 new books from the Hood River Library. This should furnish good reading material for them until the end of the year. This week many students took six weeks tests. The grade school will hold an Easter egg hunt Friday afternoon around the school building. June Stark has been absent the past few days. The third grade is studying

Indians and made stone hammers, axes, and travois. The first and second grades have made a grocery store. The boys built the store and the girls are decorating and furnishing it. Many pupils have brought bouquets of spring flowers to decorate the rooms. Bob Orvis has been visiting the grade school the last few days.

CASCADE LOCKS HIGH SCHOOL (By Virginia McMullen)

Clarke Brathord, who moved away from Cascade Locks several weeks ago, returned Monday to finish his Junior year here as he could not fit his schedule with that of Mosier. We were all glad to see him back. Richard Cole, formerly of Kelso, entered Cascade Locks High School Monday morning. He is in the freshman class. The carnival was first set for April 7 but as it is Good Friday it has been postponed until the following Friday, April 14. Main attractions are: Bingo, spooks gallery, penny throw, dart throw, novelties, eats, confectionery and other games. For prizes, groceries will be awarded to the lucky people. Everyone come and enjoy themselves.

The annual has been started and will probably come out early in May. Orders for it are being taken now and deposits paid.

Donald Martin of Jefferson High School in Portland was visiting school Wednesday as the guest of Clayton Kyle.

Monday afternoon Dr. Whitman quartet up and presented a program at the High School. They were making a tour through Oregon while they are having spring vacation at college.

Shirts, with the high school emblem and name, have been ordered by most of the students in the high school. They are expected to arrive this week.

Six weeks examinations were given to the students Thursday and Friday. An hour and a half was allowed for each class.

A class of 13 made application for second papers for United States Citizenship in the County Clerk's office this week. This group will come up for a hearing on July 3.
