A REPRIEVE FOR THE CONDEMNED.
Wretched men and women long condemned to suffer the tortures of dyspepsia, are filled with new hope after a few doses of Hostetter's Stomach Bitters. This budding hope blossoms into the fruition of certainty, if the Bitters is persisted in. It brings a reprieve to all dyspeptics who seek its aid. Flatulence, heartburn, sinking at the pit of the stomach between meals, the nervous tremors and insomnia which chronic indigestion is the parent, disappear with their hateful progenitor. Most beneficent of stomachics! who can wonder that in so many instances it awakens grateful eloquence in those who benefited by it, speak voluntarily in its behalf. It requires a graphic pen to describe the torments of dyspepsia, but in many of the testimonials received by the proprietors of the Bitters, these are portrayed with vivid truthfulness. Constipation, biliousness, muscular debility, malarial fevers and rheumatism are relieved by it.

A BLOODY AFFRAY
Is often the result of "bad blood" in a family or community, but nowhere is bad blood more destructive of happiness and health than in the human system. When the life current is foul and sluggish with impurities, and is slowly distributing its poison to every part of the body, the peril to health, and life even, is imminent. Early symptoms are dull and drowsy feelings, severe headaches, coated tongue, poor appetite, indigestion and general lassitude. Delay in treatment may entail the most serious consequences. Don't let disease get a strong hold on your constitution, but treat yourself by using Dr. Pierce's Golden Medical Discovery, and be restored to the blessings of health. All druggists.

Bottles may be easily cleaned with hot water and fine cinders.

A WOMAN'S SWEET WILL.

JENKS' DREAM.
Jenks had a queer dream the other night. He thought he saw a prize-fighter's ring, and in the middle of it stood a doughty little champion who met and deliberately knocked over, one by one, a score or more of big, burly-looking fellows, as they advanced to the attack. Giants as they were in size, the valiant pigmy proved more than a match for them. It was all so funny that Jenks woke up laughing. He accounts for the dream by the fact that he had just come to the conclusion, after trying a very big, drastic pill on the market, that Pierce's Tiny Fungicide Pills easily "knock out" and beat all the rest hollow!

THE BLOOD IS THE LIFE.
Thoroughly cleansed by using Dr. Pierce's Golden Medical Discovery, and good digestion, a fair skin, buoyant spirits, and vital strength, will be established.

CONSUMPTION, which is Scrofula of the Lungs, is arrested and cured by this remedy, if taken before the last stages of the disease are reached. From its marvellous power over this terrible fatal disease, when first offering this now celebrated remedy to the public, Dr. Pierce thought seriously of calling it his "Consumption Cure," but abandoned that name as too limited for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequalled, not only as a remedy for consumption, but for all Chronic Diseases of the

Liver, Blood, and Lungs.

If you feel dull, drowsy, debilitated, have yellow color of skin, or yellowish-brown spots on face or body, frequent headache or dizziness, bad taste in mouth, internal heat or chills, alternating with hot flushes, low spirits and gloomy forebodings, irregular appetite, and coated tongue, you are suffering from Indigestion, Dyspepsia, and Torpid Liver, or "Biliousness." In many cases only part of these symptoms are experienced. As a remedy for all such cases, Dr. Pierce's Golden Medical Discovery is unsurpassed.

For Weak Lungs, Spitting of Blood, Shortness of Breath, Bronchitis, Asthma, Severe Coughs, and kindred affections, it is an efficient remedy. Sold by Druggists at \$1.00, or 50c. BOTTLES for \$5.00.

Send ten cents in stamps for Dr. Pierce's book on Consumption. Address, World's Dispensary Medical Association, 603 Main Street, BUFFALO, N. Y.
