ODD FELLOW'S CELEBRATION.

LAPAVETTE, Or., March 27, 1888. joint committee of all the lodges of the I. O. O. F. within this county met today at the hall of the order in this place at 1 o'clock, p. m., to make necessary arrangements for the anniversary cele bration on the 26th of April. The committee was organized by the election of R. R. Laughlin chairman, and P. P. Gates secretary. After a short delibera tion the committee determined to hold the celebration at Sheridan, and that an invitation be extended to all the lodges in Polk county to join them. Mr. H. F. Bedwell, of North Yamhill, was appointed a committee of one to secure an orator. Messrs. Sam Manning and Allen, of McMinnville, and W. A. Graves, of Sheridan, were appointed a committee to secure band music. Messrs. P. P. Gates and R. P. Ungerman, of Lafayette, and E. N. Ford, of McMinnville, a committee to secure vocal music. Sheridan lodge was directed to appoint the officers of the day and make up the programme. A basket dinner will be had at some time during the day and all the membership will be expected to bring a good supply-not only for themselves, but for others who may appear lean, lank and cadaverous. OBSERVER.

INDEPENDENT TICKET.

I wish to say to the voters of Yamhill county that I am an independent candidate for the office of recorder. As I am not an able-bodied man, I trust you will see the justice in giving me your votes at the coming June election. Yours respect-ЈАСОВ В. Ямітн, Carlton, Or.

FOR PLAINTIFF.-The jury, in the case of James F. Bewley vs Thomas N. Graves for damages, returned a verdict for plaintig in the sum of \$150. This was a complicated case, and involved the legality of a certain county road in the vicinity of Sheridan, which has been in controversy for two years or more. Graves, as supervisor, tore down and removed Bewley's fence in order to open said road, thus ales! Buggies! Buggies! Large as lowing stock to run upon and injure growing crops. The line upon which this road was surveyed has long been in. controversy, and knowing this fact it was argued by the attorneys for the plaintiff selected stock of tobaccos and cigars that Mr. Graves did wrong in tearing down said fence before the matter was settled, and it seems the jury took the same view of the case. Bradshaw, Durham and Thompson were attorneys, for

plaintiff, and McCain & Hurley for defendant. Notice of appeal to the supreme court will be given in due time.

TO ADVERTISE PORTLAND Mr. E. V. Smalley, the editor, and Mr. H. P. Barbour, the business manager of the Northwest Magazine, of St. Paul, are in the city and will remain several days. It is their purpose to prepare for an early number of the Northwest an elaborate article on Portland, with illustrations, similar to the recent publication descriptive of St. Paul. A very large edition of the magazine will be printed and circulated where it will do the city the most good as an advertisement. It is expected that the people of Portland will patronize this number liberally in the way of advertise ments and by the purchase of copies, and they certainly ought to do it. Money spent in letting the outside world know build a railroad to Astoria after the of the attractions of our city and country

> TWO DOLLARS FOR FIFTY CENTS .- The Farmers' Record, a large forty column paper, has made arrangements to secure 10,000 copies of the twelve sermons which Dr. Talmage is now preaching to the women of America with practical hints for men, and until these are exhausted they propose to give a copy with the Farmers' Record one year to each person sending them fifty cents. This offer will be withdrawn as soon as the ten thousand are all sent out so it would be well to send in now. The price of the paper is one dollar and the sermons will be worth one dollar after theirs are gone. Persons should send at once to the Record, Muncie. Ind.
