The West Shore for March is at hand. As usual it is chock full of good things. A fine supplementary picture of Mt. Tacoma accompanies this number.

There are two ways of becoming noted in a town. One is to mind your business and behave yourself; the other to mind other folks' business and make a fool of vourself.

This week our town has been visited by one of those forlorn, unfortunate be ings known as book agents. He was trying to self the history of Jesse James and like trash.

The body of the man, who jumped from the bridge at Salem three weeks ago, has been found. From articles or the body it is thought to be that of R. W. Jones, of Seattle, aged about forty years.

A. P. Wilson, of Tillamook county, made this office a pleasant call on Monday. Mr. Wilson was on his way to the republican state convention. He is the republican candidate for county surveyor, and should he be successful, Tillamook will have no reason to regret it.

#### INDEPENDENT TICKET.

I wish to say to the voters of Yamhill county that I am an independent candidate for the office of recorder. As I am not an able-bodied man, I trust you will see the justice in giving me your votes at the coming June election. Yours respectfully, JACOB B. SMITH, Carlton, Or.

### A Woman's Discovery.

"Another wonderful discovery has been made and that too by a lady in this county. Disease fastened its clutches rpon her and for seven years she withsteod its severest tests, but he vital organs were undermined and death seemed imminent. For three months she coughed in cessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on tak ing first dose that she slept all night and wit one bottle has been miraculously cured. Her name is Mrs. Luther Lutz." Thus write Hamrick & Co., of Shelby, N. C. Get a free trial bot fle at J. M. Kelty's drug store.

all the way to McMinnville. Say. Thomas Jefferson, I knew what

that tie meant, do you hear? R. McCaskey has sold his house and lot in town to Mrs. Plummer.

J. W. Collins is still under the weather. The rest of our sick folks are getting better.

Nowall rally around and elect C. E. Kuykendall. Also for our next congress-

man, Johnny Gearin. James A. Walker is home from California. He has been traveling for his health for some time.

Mr. S. Carr, of Panther Creek mill, was in town Saturday. He talks of building another house on his lot this summer.

J. W. Redd, of our town, has bought out Mr. Castle in the butcher busine That's right, Carlton will absorb North Yamhill yet.

Mr. A. P. Wilson, of Hobsonville, is here visiting friends. He is a delegate to the republican convention, to help nominate a man for Gearin to beat in a race for congress.

Our prohibition friends slighted Carlton. Say, gentlemen, we have some good prohibs who would be willing to sacrifice time for office; pass them around next time.

Our old friend A. P. Wilson, of Tillamook county, is on the republican ticket for surveyor. Porter is a good fellow baring his politics. Maybe the other fellow will "get there, Eli."

Asa, Ed and Ralph went up on the Nestuck fishing a few days ago. Asa caught six fish three inches long, or three fish six inches long-don't know which. Ed came very near catching a wood rat, and Ralph caught a spook. Ralph says he never saw the spooks so HAWK-EYE.

## The Verdict Unanimous.

W. D. Sult, druggist, Bippus, Ind., testifies: 'I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles, and was cured of rheumatism of ten years' standing." Abraham Hare, druggist, Bellville, Ohio, affirms: "The best selling medicine I have ever handled in my twenty years' experience is Electric Bitters." Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the liver, kidneys or blood. Only a half a dollar a bottle at J. M.
