HAPPY HOMES.

Much has been written and said about how to make home happy. The moralist and the preacher have hackneyed this theme until it would seem nothing more remained to be said. But the philosophers have gone far out of their way to account for the prevalence of ill assorted couples and unhappy homes, and have overlooked the chief cause. Most of the unhappiness of married life can be traced directly to those functional derangements to which women are subject. In nine cases out of ten the irritable, dissatisfied and unhappy wife is a sufferer from some "female complaint." A trial of Dr. Pierce's Favorite Prescription will produce more domestic happiness than a million sermons or philosophical treatises. It cures all those peculiar weaknesses and ailments incident to women. It is the only medicine sold by druggists, under a positive guarantee from the manufacturers, that it will give satisfaction in every case, or money will be refunded. See guarantee printed on wrapper enclosing bottle.

A Mammoth Gorilla.

Boston has just received from Africa the largest gorilla ever landed in this country. His name is Jack, and he is five feet in height when standing erect, and measures seven feet from the end of one outstretched hand to the other. He weighs about one hundred and twenty-five pounds, and exhibits enormous strength, compared with which that of man seems like a child's. He arrived in a large box made of planking two and one-half inches thick, and when being removed from the ship he tore large splinters from the hard-wood planks with as much ease as a child would break a twig. The hair, which is very coarse and from two to four inches in length, is of a greenish-gray color, and on the back, legs and arms inclines to a black. His shoulders are immense. The expression of the face, which is black, is scowling. The eyes are small, sunken in the head, and the lips large and thin.—*Boston Courier.*

PISO'S CURE FOR CONSUMPTION

A Lovely Skin

Nothing is known to science at all comparable to the CUTICURA REMEDIES in their marvellous properties of cleansing, purifying and beautifying the skin, and in curing torturing, disfiguring, itching, scaly and pimply diseases of the skin, scalp and blood, with loss of hair from infancy to age.

CUTICURA, the great Skin Cure, and CUTICURA SOAP, an exquisite Skin Beautifier, prepared from it, externally, and CUTICURA RESOLVENT, the new Blood Purifier, internally, are a positive cure for every form of skin and blood disease, from pimples to scrofula.

I have had a most wonderful cure of salt rheum. For five years I have suffered with this disease. I had it on my face, arms and hands. I was unable to do anything whatever with my hands for over two years. I tried hundreds of remedies, and not one had the least effect. The doctor said my case was incurable. I saw your advertisement, and concluded to try the CUTICURA REMEDIES; and incredible as it may seem, that after using one box of CUTICURA, and two cakes of CUTICURA SOAP, and two bottles of CUTICURA RESOLVENT, I find I am entirely cured. Those who think this letter exagerated may come and see me and find out for themselves. GRACE P. HARKHAM.

CUTICURA REMEDIES are absolutely pure and the only infallible blood purifiers and skin beautifiers.

I have been afflicted since last March with a skin disease the doctors called eczema. My face was covered with scabs and sores, and the itching and burning were almost unbearable. Seeing your CUTICURA REMEDIES so highly recommended, concluded to give them a trial, using the CUTICURA and CUTICURA SOAP externally, and RESOLVENT internally, for four months. I call myself cured, in gratitude for which I make this public statement.
