RAILROAD OFFICIALS.—The officers of the Southern Pacific stopped at Eugene City on their return trip, and the *Guard* says: "The party went on top of Skinner's Butte, and were delighted with the prospect from that eminence. Coburg, where the narrow gauge ends, was pointed out and General Manager Towne remarked that it was a question of but a short time when the road would be connected with the O. & C., and that Eugene was the most natural point for the connection. The railroad magnates also talked favorably towards the extension of the west side road from Corvallis, up the Long Tom and to Eugene, provided the citizens would secure the right of way."

Did You Ever?—Last night architects arrived from various places to be in attendance on the county court that is now in session, sitting for the consultation and adoption of plans for the new court house. The court will be in session for several days in order to allow architects from San Francisco to either reach here or send letters. The contract will probably be let between the 17th and 20th of this month.—*Reporter, 17th.* The county court has been in session, has it? People, generally, are under the impression that the sessions of the court are held at the county seat. By the bye, the deed which was signed over a week ago has not been recorded in the clerk's office yet.

I. O. O. F. Excursion.—On Thursday next an excursion train will leave Dundee for Sheridan with Odd Fellows and all others who may desire to attend the sixty-ninth anniversary of the establishment of Odd Fellowship in America. The train will leave Dundee at 8:00 a. m.; fare round trip, \$1.00; West Dayton at 8:20; fare, \$1.00; Lafayette at 8:47; fare, \$1.00. A good time may be had by all who attend this celebration. Go and take your friends with you. A sumptuous basket dinner will be one of the interesting exercises of the day.

Uncle Josh.—The Uncle Josh troupe came from McMinnville last Saturday evening and presented that comic drama to a crowded house, in fine style. Chas. R. Fenton and Will Eastbrooks, of the company, were formerly Lafayette boys. Our space forbids an extended notice, but we must say that all present seemed to enjoy themselves hugely. Several were present from Dayton and other places. The McMinnville band was present and discoursed some of its sweetest music during the evening.

THE OREGON PACIFIC.—Wm. M. Hoag and C. C. Hoag, of Corvallis, were in Albany Wednesday. A *Herald* reporter hunted up Mr. Hoag and interrogated him concerning the prospects of work on the road eastward. "There is nothing now," he stated, "which I am at liberty to give you, although we may have in a short time. There is no question but that the road will go on and that soon, but as to any definite plans for this season, I am not now at liberty to say anything."

COMPLIMENTARY.—In its report of the district institute recently held at Dallas, the *Itemizer* speaks thus complimentary of two Lafayette people: "Solo—Carl Young. He was greeted with terrific applause. His appearance on the stage is electrical, causing the audience to fairly go into raptures. His accompanist, Miss Edith Kelly, is a fine pianist, and ably supports him. To sum up, Mr. Y.'s singing is all the rage—immediate."

NEW ADV.—The new advertisement of Bird & Gates will be found in another column of this issue. This firm needs no introduction or recommendation at our hands. Their straight-forward and upright manner of dealing with their customers has gained for them an enviable reputation. Read their ad and go and inspect the goods. You will not be disappointed.

PERSONAL.—Miss Gussie K. Juker, of The Dalles, who has been on a six months' visit to her sister, Mrs. L. C. Thompson, of Glenbrook farm, took her departure last Tuesday for Portland and other points, where she will visit friends.

MISSED.—Oregon's greatest paper failed to reach its subscribers last Tuesday, and as a consequence there was a look of wonder and disappointment on every face. This incident shows that as a newspaper the *Oregonian* is appreciated.

A YAMHILLER.—J. E. Fenton, a prominent attorney of Eugene City, and a former resident of this county, has been nominated by the democrats for county judge of Lane county.

PROSPEROUS.—One has only to visit the new store of G. W. Burt, the McMinnville druggist, and view its elaborate furnishings to be convinced of his prosperity.

AN INTERESTING COINCIDENCE.

Mr. W. S. Ladd, who for the past nine years has filled the position of United States jury commissioner, tendered his resignation yesterday. An act of congress, of 1879, provides that all United juries shall be publicly drawn from a box containing the names of not less than 300 persons having the necessary qualifications, which names shall have been selected and placed therein by the clerk of the court and a commissioner chosen by the court and belonging to the political party opposed to that which the clerk belongs. Mr. Ladd was appointed such commissioner and has filled the position very acceptably. The juries selected during the term have been very acceptable both to the court and to counsel. Mr. Ladd's resignation was accepted and Mr. Charles E. Sitton was appointed jury commissioner for the United States courts. An old citizen remarked that it was just a little singular that the ex-commissioner, his successor, the judge who appointed them and the clerk of the court should all have "got their start" in Yamhill. The reporter who was copying the record put in a claim to the same proud distinction, and immediately left, before he should be called upon to include half the people around the building in the same list. "Yamhill agin' the world!"—*Oregonian, 13th.*

INDEPENDENT TICKET.

I wish to say to the voters of Yamhill county that I am an independent candidate for the office of recorder. As I am not an able-bodied man, I trust you will see the justice in giving me your votes at the coming June election. Yours respectfully,

His Business Booming.

Probably no one thing has caused such a general revival of trade at J. M. Kelty's drug store as his giving away to his customers of so many free trial bottles of Dr. King's New Discovery for consumption. His trade is simply enormous in this very valuable article from the fact that it always cures and never disappoints. Coughs, colds, asthma, bronchitis, croup, and all throat and lung diseases quickly cured. You can test it before buying by getting a trial bottle free, large size \$1. Every bottle warranted.
