L'ke the octopus of the story it clasps the victim in its fentacule, and folds him sloser and closer in a horrible embrace. Attacked with Hostetter's stomach Bitters, however, it gradually relaxes its iremendous grip, finally abandous it, and the quondam sufferer, liberated at last, rejoices in the sense of new born freedom, engendered by the restoration of complete health. Dyspepsia, too, and constigation, the eld and remoracless entemies of the human family, give ground, and are sinally driven from the field by this Napoleon of remedies, the greatest, the purest in the family pharmacopois. Rhemmatism succumbs to it, so do kide ney troubles. The nerves, when overstrained, regain quietude and vigor by its sid, and the ability to rest tranquilly and eat with zest are increased by it. If you suffer from dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery, and sorid, at others, thick, tenacious, mucous, purulent, bloody and putrid; if the eyes are weak, watery, and inflamed; and there is is ringing in the ears, deafness, hacking or coughing to clear the throat, expectoration of offensive matter, together with scabs from ulcers; the voice being changed and having anasal twang; the breath offensive; smell and taste impaired; experience a sensation of vizziness, with mental depression, a hacking cough, and general debility, then you are suffering from chronic nasal catarrh. Only a few of the above named symptoms are likely to be present in any one case at one time, or in one stage of the disease. Thousands of cases annually, without manifesting half of the above symptoms result in censumption, and end in the grave. No disease is so common, more deceptive and dangerous, less understood or more unsuccessfully treated by physicians. The manufacturers of. Dr. Sage's Catarrh Remedy offer, in good faith, \$500 reward for a case of catarrh which they cannot cure. The Remedy is sold by druggists at only 50 cents.

SAFE, SURE, AND SPEEDY.

No external remedy ever yet devised has so fully and unquestionably met these three prime conditions as successfully as ALLCOCK'S POROUS PLASTERS. They are safe because they contain no deleterious safe because they contain no deleterious drugs and are manufactured upon scientific principles of medicine. They are sure because nothing goes into them except ingredients which are exactly adapted to the purposes for which a plaster is required. They are speedy in their action because their medicinal qualities go right to their work of relieving pain and restoring the natural and healthy performance of the functions of muscles, nerves and skin.
