What Your Friends and Neighbors Say on a Matter of Vital Importance.

Below will be found a sample of the multitude of letters of encouragement Messrs. H. H. Warner & Co., of Rochester, N. Y., daily receive. The unobtrusive testimonials are from your friends and neighbors, ladies and gentlemen you know and esteem for their honor and straightforwardness, and who would scorn to be a party to any deception. What has been done for others can be done for you, and it is folly, nay suicidal, to longer suffer when the means of recovery lie at your very door:

OAKLAND, Cal. (Attorney at Law, 807 Broadway), Dec. 25, 1887.—I have long used "Warner's Safe Cure" with good results, and am now using the same.

*H. L. Adams*

YOGA, Cal., Dec. 13, 1887.—My wife is using Warner's Safe Cure and says that it is doing her good.

*Charles F. Brown*

ALYVA, Cal., Jan. 6, 1888.—I use "Warner's Safe Cure" to keep well. I think it is a good medicine.

*M. P. Sawwell*

SAN FRANCISCO, Cal., (723 Market Street), Dec. 18, 1887.—We consider "Warner's Safe Cure" invaluable and would not be without them.

*Mary B. Handy*

SAN FRANCISCO, Cal., (621 Montgomery Street), Dec. 18, 1887.—I find "Warner's Safe Remedies" all that we could desire.

*William B. Nelson*

HALA'S FERRY, Cal., Jan. 4, 1888.—I am using Warner's Safe Cure for disease of the Kidneys and it is doing me good.

*Edwin G. Lacey*

DANVILLE, Cal., (Real Estate and Business), Dec. 8, 1887.—I have used some of Warner's Safe Pills and believe it to be a good remedy when faithfully used.

*J. A. Shroy*

ALPHELA, Cal., Jan. 13, 1888.—I am happy to say that I have used "Warner's Safe Cure" with the best results obtainable for deranged Kidneys and Liver. I believe to use "Warner's Safe Cure" although at will.

*Edwin E. Webster*

BAKERS, Cal., Sept. 28, 1887.—Last December of my boy, aged 24 years, was troubled with what seemed to be a bad cold. He grew worse and I called a doctor who called it Dropsy and began to treat my child for it. He continued to grow worse and I got another doctor who analyzed his urine and pronounced it Dropsy in a bad form. All the doctors say my boy would die, and he looked as if he would. I began to give my boy Warner's Safe Cure without saying anything to the doctors. In three days his urine showed a decided perfect condition of his urine. My doctor who heard of his case said that would do sure, but he took "Warner's Safe" and is alive. If not well, which is more than I have been said if the doctors had left to stuff him.

*W. A. Vela*

BUKLE, Cal., Dec. 28, 1887.—My daughter has taken "Warner's Safe Cure" and reaped great benefit therefrom. I am never out of it in my house.

*Kate Ward*

**PERSONAL AND LITERARY.**

Conductor W. W. Wilber, of the Union & Albany railroad, has traveled 40,000 miles in the last forty-four years. He is now the oldest conductor on the road, but he is strong and robust, and expects to make a record of 2,000,000 miles before he retires.

Just before Mrs. Langtry left New York City she became the possessor of a diamond necklace pronounced by experts to be the largest and finest turquoise in the world. It is set in twenty-seven diamonds, and may be worn as a pendant. It is worth over \$100,000.—Public Opinion.

Joseph Chamberlain is an enthusiast on the subject of orchids, and he spends immense sums. He has the finest collection in England, and wears one in his buttonhole, frequently displaying \$6,000 to \$7,000 worth of these costly flowers on his buttonhole table.

Some one has discovered that a man can not bray if a brick be tied to his tail. It is extremely doubtful if a man who undertakes to make a combination can do much braying, either—about ten minutes.—Hotel Mail.

In the three cities, Genoa, Cannes and Nice, in France, over 3,000,000 pounds of orange flowers are used annually to manufacture oil, pomade, etc. The value of this enormous amount of flowers is about \$30,000.

**THAT HIGHWAY OF NATIONS.**  
The broad Atlantic is ever a stormy thoroughfare. Yet blow the winds ever so furiously, and rise the waves ever so luffily, seamen must man the good ships, tourists will brave the passage, and commercial travelers and buyers must visit the centers of foreign trade and manufacture. That atrocious malarial sea-sickness, together with colicky pain and much inward uneasiness is often endured when Hostetter's Stomach Bitters would have fortified the voyagers against them. Sea captains, and in fact all old sailors and veteran travelers are acquainted with the protective value of this estimable preventive and remedy, and are rarely unprovided with it. Emigrants to the far West should use it as a safeguard against malaria. Seek the aid of the Bitters for dyspepsia, constipation, liver complaint, kidney troubles and all ailments that impair the harmonious and vigorous action of the vital powers.

Ezekiel Matthews, eight seven years old, a resident of Crawford county, Georgia, walks eight miles to a fish pond every morning, and catches a mess of fish.

The output of Pittsburgh's glass industry is valued at \$10,000,000 a year.

**WHY LAURA LOST HER BEAU.**  
Laura once had an affluent beau who called twice a fortnight, or so. Now she sits, Sunday eve, All lonely to grieve, Oh, where is that recreant beau, And why did he leave Laura so? Why, he saw that Laura was a languishing, delicate girl, subject to sick headaches, sensitive nervous and uncertain temper, and knowing what a life-long trial it is to a sickly wife, he transferred his attentions to her cheerful healthy cousin, Ellen. The secret is that Laura's health and strength were sapped by chronic weakness, peculiar to her sex, which Ellen averted and avoided by the use of Dr. Pierce's Favorite Prescription. This is the only remedy for women's peculiar weaknesses and ailments, sold by druggists, under a positive guarantee from the manufacturer, that it will give satisfaction in every case or money will be refunded. **MANY PEOPLE REFUSE TO TAKE COD LIVER OIL** on account of its unpleasant taste. This difficulty has been overcome in Scott's Emulsion of Cod Liver Oil with Hypophosphites. It being so palatable as milk, the most valuable remedy known for the treatment of Consumption, Scrofula and Bronchitis, General Debility, Wasting Diseases of Children, Chronic Coughs and Colds, has caused physicians in all parts of the world to use it. Physicians report our little patients take it with pleasure. Try Scott's Emulsion and be convinced.

The Charity fund for New York hospitals amounted this year to over \$50,000.

**LIVING ON THE REPUTATION OF OTHERS.**  
"Take every thing that I have but my good name: leave me that and I am content." So said the philosopher. So say all manufacturers of genuine articles to that horde of imitators which thrives upon the reputation of others. The good name of ALLCOCK'S PODOUS PLASTERS has induced many adventurers to enter the market imitations that are not only lacking in the rest elements of the genuine article, but are often harmful in their effects. This is not only theft, but might well be called malpractice. Such a thing ought not to be. The public should be warned against these frauds, and when an external remedy is needed, be sure to insist upon having ALLCOCK'S PODOUS PLASTERS.

When oxen or sheep collect together as if they were seeking shelter, a storm may be expected.
