NEVER FAIL.—The following is from the Astorian, a paper that rarely fails to say things in about the right manner: "Big crops all over the state. Crops never fail in Oregon, and any man that owns a bit of land has a sure thing and need not be sick or fear climatic trouble. Send this little chunk of truth back to some poor fellow that you know way back in the Mississippi valley who crawled out from under the wreck of his barn in the last cyclone, and who is now taking quinine every day for the shakes, and tell him it is the exact fact."

THE OREGON PAMPHLET.—State Printer Baker informed the Salem Journal last week, that the type on the pamphlet being published by the State Board of Agriculture has all been set, and that the forms will all be off the press by the last of next week, and the book ready for the binder. This will probably be the most comprehensive descriptive work on Oregon ever published. It will slight no portion of the state, and will give full information regarding this great state.

TO NEWBERG.—The Evangelical conference of Oregon closed a most pleasant and harmonious session on the 8th of May, in East Portland. Rev. F. W. Parker, of Sweet Home mission, was appointed to the Newberg circuit, much to the regret of his many friends in Linn county. Mr. Parker is a young man of fine promise, and has made a host of friends, considering the short time he has been in our midst.—Lebanon Express.

S. S. WORKERS.—The State Sunday School Convention held a very interesting meeting at Albany last week. The following officers were elected for the ensuing year: President, Rev. Ethan W. Allen, Portland; vice-president, Rev. J. Hoberg, Lafayette; secretary and treasurer, Rev. G. W. Hill, East Portland; statistical secretary, Prof. Henry Sheik, Philomath. The next session will be held at Corvallis.

NEW TIME TABLE.—A new time table went into effect on the narrow gauge on Wednesday of this week. Trains now leave Lafayette for Portland at 6:30 a. m., and 12:55 p. m. Leave Lafayette going south at 2:15 p. m. The Lafayette mixed leaves Portland at 5:15 p. m., and arrives at Lafayette at 9 p. m. The traveling public will find this to be a great convenience.

The Tiger mower is one of the best ever brought to this county. For sale by A. B. Westerfield.

His Business Booming.

Probably no one thing has caused such a general revival of trade at J. M. Kelly's drug store as his giving away to his customers of so many free trial bottles of Dr. King's New Discovery for consumption. His trade is simply enormous in this very valuable article from the fact that it always cures and never disappoints. Coughs, colds, asthma, bronchitis, croup, and all throat and lung diseases quickly cured. You can test it before buying by getting a trial bottle free, large size \$1. Every bottle warranted.

Money to loan on improved farm property in amounts to suit. Apply to Dr. E. Poppleton, Lafayette.

Brace Up.

You are feeling depressed, your appetite is poor, you are bothered with headache, you are nervous, and generally all out of sorts, and want to brace up. Brace up, but not with stimulants, spring medicines, or bitter, which have for their basis very cheap, bad whisky and which stimulate you for an hour, and then leave you in worse condition than before. What you want is an alterative that will purify your blood, start healthy action of liver and kidneys, restore your vitality, and give renewed health and strength. Such a medicine you will find in Electric Bitters, and only 50 cents a bottle at J. M. Kelly's drug store.

Lafayette is becoming quite a sporting town.

This powder never varies. A marvel of purity, strength and wholesomeness. More economical than the ordinary kinds, and cannot be sold in competition with the multitude of low test, short weight, adulterated or phosphate powders held only in cans. ROYAL BAKING POWDER. Co., 106 Wall St. N. Y.
