

**A New Sort of Trust.**

Have you seen Jumberly since he appointed to office?" asked one of his friends.

"No; but I hear he is trying to row money from every body he meets." Humph. How do you account for that?"

"I can't account for it unless he goes the theory that a public office is a public trust, and therefore expects everybody to trust him."—*Merchant*

"Bull!" said the agent, as a little opened the door, "is your man in?"

"Yes; she's in the kitchen trying to fix stove; it won't bake. Who shall I want to see her?" "Tell her it's my minister, who will call again."—*Farmer's Bazar.*

**HUMOROUS.**

"Will you give a penny to a little fellow from Liverpool?" whined a ragged fellow as he approached a man on Broadway.

"You are a big way from Liverpool, my lad, so here's ten cents," was his reply.—*Texas Sittings.*

"—Do you know, Miss Mabel, I have discovered why my brain is so fat?"

"No, Mr. Minus, what is your theory?"

"It is because I so often start a train of thought." She—"Ah, yeal The limited."—*Tid-Bits.*

**TWO WAYS. CHOOSE WHICH!**

There are two usual ways of doing what Nature sometimes does incompletely, namely, to relieve the bowels. One is to swallow a drastic purgative which evacuates profusely, abruptly and with pain, the other is to take Hostetter's Stomach Bitters, the effect of which is not violent, but sufficiently thorough, and which does not gripe the intestines. If the first is selected, the person employing it need not expect permanent benefit, and he cannot hope to escape the debilitating reaction which leaves the organs as bad or worse off than before. If, on the other hand, he resorts to the Bitters, he can rely upon the restoration of a regular habit of body, consequent upon a renewal of a healthy tone in the intestinal canal. Besides healthfully relaxing the bowels, the Bitters arouses a dormant liver, imparts a beneficial impetus to the action of the kidneys, and counteracts the early twinges of rheumatism, a tendency to gout, and malaria in all its forms.

Act well at the moment, and you have performed a good action to all eternity.

**MURDERED BY PREJUDICE.**

Thousands of men die every day who might be saved. Prejudice has murdered many a man and woman. If it were believed that the sum of disease could be reduced by phytic food would be gained. The nightmare of death would not frighten us as it does in our modern civilization we ought reasonably to expect disease to set in upon us because we do so much to attract it because we so often and steadily expose ourselves to it. At the same time we all ought to understand, as a part of our rudimentary education, that to save ourselves from the effects of such exposure some kind of fortification should be built around our vital forces, lest the enemy carry us, as it were, by a sudden onslaught. For many years the unprejudiced have used BRANDRETT'S PILLS in this way and they have proved a most effective wall against the approach of disease. Stop the daily murders—we had almost said suicides—by using these PILLS. They speak for themselves—as they act. When everything else has failed BRANDRETT'S PILLS have saved lives. They are to be had at every drug store.

Chances opportunities make us known to others; and still more to ourselves.

**Consumption, Wasting Diseases, and General Debility.** Doctors disagree as to the relative value of Cod Liver Oil and Hypophosphites, the one supplying strength and flesh, the other giving nerve power, and acting as a tonic to the digestive and entire system. But in Scott's Emulsion of Cod Liver Oil with Hypophosphites the two are combined, and the effect is wonderful. Thousands who have derived no permanent benefit from other preparations have been cured by this. Scott's Emulsion is perfectly palatable and easily digested by those who cannot tolerate plain Cod Liver Oil.

**HAPPINESS.**

The foundation of all happiness is health. A man with an imperfect digestion may be a millionaire, may be the husband of an angel and the father of half a dozen cherubs, and yet be miserable if he be troubled with dyspepsia, or any of the disorders arising from imperfect digestion or a sluggish liver. Dr. Pierce's Pleasant Purgative Pills are the safest and surest remedy for these morbid conditions. Being purely vegetable, they are perfectly harmless.

**O! YES, YES! CERTAINLY!**

A singed cat dreads the fire. I plead guilty. I am selling a "new-fangled" machine

**LOOK AT IT—AIN'T IT A DAISY?**

**THE "ADVANCE" THRESHERS AND ENGINES**

I guarantee the New-Fangled Advance Separator to be the best grain-saving, fastest Thresher and most durable Separator ever made. But remember, it is not an experimental machine, as the Old Fogey machines are. You are well aware of the time lost that you have to pay for in experimenting with Old Fogey machines. The New Fangled Thresher leads the way. The growing and kicking of the Old Fogey agents is only equalled by the amount of grain kicked out in the straw by the Old Fogey machines. Of course, if you wish a cheap machine, Old Fogies will supply you at your own price; but their machines are dear at any price. You cannot afford to buy a thresher without examining the ADVANCE. Do not be talked into buying a machine because it is cheap and Old Fogies ask the Old Fogey agents if they will set beside the new-fangled machine and let you see which is the experimental machine, and sold on its merits. I have never yet had to call on any court to help decide the merits of the new-fangled machine. Please examine the court records in reference to the Old Fogies' plan. Many years ago a man built a new-fangled machine, called a steam engine. Old Fogies then, as now, stood back and said they would ruin the country. Do you not want to be ruined in the same way? Remember, the new-fangled machine is past all experimenting, while Old Fogey's machines are being experimented with all the time, and at your expense. Do not fool with them any longer, while your grain is going to waste.

Remember the new-fangled machine is sold on its merits entirely. Remember, your whole dependence is upon your crop proceeds, and if you allow Old Fogey machines to waste your grain, you are just that much out of pocket. To prevent this, see that the party that does your threshing procures a new-fangled ADVANCE Thresher, as they are constructed so as to save your grain, and have a better record than any old-fogey machine. Write for further particulars. I am prepared to prove all my statements—i. e., the ADVANCE machine will do more and better work than any other.

I hereby challenge any old fogey agent to name ANY case where the ADVANCE machine has failed to do as represented since its introduction on this Coast. Show up or shut up.

Remember that old fogey agents saying the contrary does not make it so. It will pay you to investigate. I can prove all I say.

I also sell the well known DINGEE WOODBURY POWER, a number of manufacturers make them on a royalty but I do not know of any imitations, but am always inclined to look out for those that talk of imitations. I also deal in Laundry and Marine Machinery, Farm, Church and School Bells, General Machinery, Swift Oilers, Grime Safety Valves, Miller Pumps, Hancock Inspirators, Park & Kennedy Injectors, Acme and Alligator Wrenches, Blacksmith Drills, Self-Heating Bath Tubs, the Westinghouse Engines, See the prices: 10-horse on wheels, \$300; Traction, \$1075; 15-horse Traction, \$1400. Special discount for cash. General Agent for Colburn's Dynamos and Lamps for Electric Lighting—5 to 200 lights.

**Do you want a THRESHER, HORSE-POWER or ENGINE?**

**IF SO, OF COURSE YOU WANT THE BEST.**

**Guarantee the J. I. CASE "AGITATOR" SEPARATOR to be the Best Grain Saving and Fastest Thresher ever made**

We have over four hundred of these celebrated machines in operation in Oregon and Washington, all of which are giving highest satisfaction. We are prepared to furnish you statements from the leading farmers and threshermen to prove this. There are twice as many "Agitators" sold each season, throughout the United States, as any other style or make of thresher. This is no experimental machine that must be sold cheap in order to introduce it, but is acknowledged to be THE BEST, and consequently, upon its merits, the cheapest. In buying an "AGITATOR" thresher you are making no experiment running no risk. We guarantee it in every way superior to every other thresher built. You cannot afford to buy a thresher your first examining ours. DO NOT BE TALKED INTO BUYING A MACHINE BECAUSE IT IS CHEAP OR NEW-NGLED.

Remember, we guarantee the J. I. Case "Agitator" the best and fastest thresher made, and are ready to prove it. Is it not safer and cheaper for you to buy a thresher known to be reliable in every respect than to experiment with a new-fangled machine for the benefit of some Eastern factory who want their machine experimented with at your expense, while your grain is being ruined, and you are at heavy expense for operating?

Remember, your whole dependence is upon your crop proceeds, and if you endanger it by experimenting with new-fangled threshers, you do so at great loss to yourself. We insure you against all these possible evils with our J. I. Case Agitator, which has been thoroughly tested for years in this country, and is known to be perfectly reliable, BEING BUILT ESPECIALLY FOR THE REQUIREMENTS OF THIS SECTION.

We also sell the only genuine DINGEE WOODBURY HORSE-POWER made. Beware of imitations!

The J. I. CASE PORTABLE TRACTION ENGINES have been in general use in Oregon and Washington for years, and guarantee them to be, and are ready to prove them to be, the most powerful, most durable, safest, more skillfully constructed of better materials than any other Engines made.

We are also EXCLUSIVE AGENTS for the CELEBRATED JACKSON'S DERRICKS SELF-FEEDERS AND FORKS. Buy our RANDOLPH IMPROVED STEEL FRAME HEADER, guaranteed the Simplest, Lightest and Easiest Handled Header in use. We sell the ONLY STEEL FRAME HEADER MADE.
