

As the principle of love is the main principal in the heart of the true Christian, so the labor of love is the main business of the Christian life.

STARTLING DISCOVERY.

The discovery by the inhabitants of a locality hitherto unvisited by the pestilent scourge of typhoid fever and ague, that it exists in their very midst is decidedly startling. Such discoveries are made at every season, when it is ascertained, that the disease is at that time, through the aid of its inevitable experience of some one who has been afflicted and cured, that Hostetter's Stomach Bitters is a thoroughly efficacious eradicator of the malarial poison, and a means of fortifying the system against it, a feeling of more security and tranquility reigns throughout the whole neighborhood. Besides the febrile form of malarial disease, dumb ague and ague cake are removed by the potent action of the Bitters, to which science also gives its sanction as a remedy for rheumatism, dyspepsia, constipation, liver complaint, debility, kidney troubles, and all diseases impairing the organs of digestion and assimilation.

A boy of fifteen has been killed by drinking whisky in Newburg, N. Y.

Would you know the keen delight of a wholesome appetite, unobscured by colic's dire, headache's curse, or fever's fire, thoughts morose, or icy chill? Then use Dr. Pierce's Pellets—the original and only genuine Little Liver Pills; 25 cents a box.

The early closing movement is a success at Marysville, Cal.

CONSUMPTION, SCROFULA, GENERAL Debility, Wasting Diseases of Children, Chronic Coughs and Bronchitis, can be cured by the use of **Scott's Emulsion of Cod Liver Oil with Hypophosphites.** Prominent physicians use it and testify to its grave value. Please read the following: "I used Scott's Emulsion for an obstinate cough with Hemorrhage, Loss of Appetite, Emaciation, Sleeplessness, etc. All of these have now left, and I believe your Emulsion has saved a case of well-developed Consumption."—T. J. FINDLEY, M. D., Lone Star, Texas.

"Yes, sir," said Poppinjay, emphatically, "Oral is a means of limited means, but unlimited means."

A BUSINESS-LIKE OFFER.

For many years the manufacturers of Dr. Sage's Catarrh Remedy have offered, in good faith, \$500 reward for a case of Nasal Catarrh which they cannot cure. The Remedy is sold by druggists at only 50 cents. This wonderful remedy has fairly attained a world-wide reputation. If you have dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery, and acid, at others, thick, mucous, purulent, bloody and putrid; if the eyes are weak, watery and inflamed; if there is a ringing in the ears, deafness, hacking or coughing to clear the throat, expectoration of offensive matter, together with pain from ulcers; the voice being changed and has a nasal twang; the breath offensive; smell and taste impaired; sensation of dizziness, with mental depression, a hacking cough and general debility, you are suffering from nasal catarrh. The more complicated your disease the greater the number and diversity of symptoms. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, more deceptive and dangerous, or less understood, or more unsuccessfully treated by physicians.

DISGUSTING SKIN DISEASES.

What spectacle is more disgusting than that of a man or woman with a skin disease which shows itself in pimples and blotches on hands, arms, face and neck? It is simply impure blood. See what BRANDRETH'S PILLS did for a chronic case:

For four years I was in the Mounted Infantry in the U. S. Army, residing during that time principally in Texas. Almost all of that time I had a chronic skin disease, characterized by an eruption over the entire surface of my legs and thighs, arms and chest. The doctors termed it eczema. I had given up all hopes of ever being cured, when BRANDRETH'S PILLS were recommended to me. I concluded to try them, and did so, and I have thanked God daily since then that I did so. I think I used them altogether for about three months, and, by that time, was completely cured and have never had any trouble since. My skin is as clear as any one's.
