On Monday evening, September 10th, the republicans of Lafavette convened at the court house and organized themselves into a permanent republican club Judge Hurley being chairman and T. C. Stephens secretary. From the number present and the enthusiasm manifested, the club will undoubtedly be an effective agent in politics, and particularly in the present contest. The permanent officers of the organization will be elected at the next meeting on Monday evening, September 17th, when the campaign will be regularly opened by speeches from Dr. Watts and others. Among the many items of business transacted, I will only mention farther that A. R. Burbank, H. Hurley and J. W. Watts were elected delegates to the state convention to be held at Portland September 19th. T. C. STEPHENS, Secretary.

Because he can make more profit he may tell you he has something just as good, or just the same. Don't be deceived, but insist upon getting Dr. Kin, 's New Discovery, which is guaranteed to give ,elief in all thrort, lung and chest affec-tions. Trial bottles free at J. M. Kelty's drug store.
