THE SOUND OF THUNDER.

One of the most terse and suctised in the east, and immigrants cinct descriptions of a natural phestarted on the road with a destina- nomenon is that recently given by tion already decided upon. This M. Hirn, in which he says that the is the plan that must be adopted if sound which is known as thunder we are to keep pace with other is due simply to the fact that the air traversed by an electric spark, The Brownsville woolen mills that is, a flash of lightning, is sudsigned the protest against the Mills denly raised to a very high temperbill, because, under the proposed ature, and has its volume, morereduction, profits would be reduced, over, considerably increased. The and as a consequence the standard column of gas thus suddenly heated of wages would be lowered. The and expanded is sometimes several majority of the operatives in the in- miles long, and as the duration of stitution, most truly, says the Ban- the flash is not even a millionth of don Recorder, are Chinese, and the a second, it follows that the noise product of the mill is wholly made bursts forth at once from the whole up in Portland and San Francisco column, though for an observer in by Mongols. Does not this fact any one place it commences where seem to confirm the assertion of the lightning is at the least dis-

In precise terms, according to M. Hirn, the beginning of the thunder. clap gives us the minimum distance The republicans are claiming of the lightning, and the length of that the prohibition vote in Maine the thunder clap gives us the length at the last election was smaller of the column. He also remarks than in 1884. The official vote for that when a flash of lightning the prohibitionists in September, 1884, was 1,157, and in the election the other day it was 2,971, or a points out that a bullet whistles in traversing the air, so that we can to a certain extent follow its flight, the heard has been compared to the sound produced when one tears linen. It is due, really, to the fact WASHINGTON LETTER.

(Prontom Regular Correspondent.) WASHINGTON, Sept. 28, 1888.

Senator Sherman's Canadian annexation resolution (that isn't what he calls it, but that's what it is really intended for) has been reported to the senate from the forign affairs committee without recommendation. This is the resolution that the republicans hope to knock out the house Canadian retaliation bill with.

John H. Oberly, now one of the civil service commissioners, has been nominated commissioner of Indian affairs, to succeed J. D. C. Atkins, of Tennessee, who resigned to make a canvass for the U. S. senate in his state.

The republican senators have, done in Italy and Great Britain under the lash of public ridicule, and in other European countries: thrown off the Blaine yoke and laid "Why," said he, "last winter in their tariff bill before the full Rome I fell in with a wealthy Enwhence an immigration can be in- that taxes are going to be reduced, finance committee of the senate. glishman, and we traveled together duced to come. The muddle in relation to the

INCREASE IN INSANITY.

Dr. Harry Lane, superintendent of the asylum for the insane, was in the city recently. He reports 509 patients in the asylum, and more "coming down on the rise." He could not imagine for some time how it was that so many foreigners kept coming in, but has at last discovered that many of the persons were insane, or very near it, before they came to this country.

Now, threfore, by virtue of said execution, on Saturday, the loth day of November, 1888, at the hour of 1 octobe p. m., at the court house door, in the town of Lafayette, in said country and state, I will self at public auction the above described real estate of said defendants to the high st hieder for cash in land, to satisfy said judgment, costs and accruing costs.

Dated this 5th day of October, 1888.

Dated this 5th day of October, 1888. In short, he has come to the con-

criminals and citizens of unsound mind to this country. Mr. D. P. Thompson, who was standing by said he could testify to this being a fact. He knew it was done in Italy and Great Britain and in other Furnassian Great Britain
