

WEST SIDE TELEPHONE.

McMINNVILLE, FRIDAY, NOV. 12, 1886.

An exchange makes some pertinent remarks regarding the increase of heavy defalcations and betrayal of trusts in these later years, and says that the frequency of their occurrence and the carelessness with which they are regarded leads one to ask if society is not becoming demoralized by these revelations of crime.

The learned head of the geological survey of Pennsylvania, Prof. Carll, has much excited the people in the natural gas region about Pittsburg by predicting that the natural gas supply will exhaust itself after a time.

The Chicago Tribune in its financial columns, says: "The invisible supply of wheat (with flour reduced to wheat bushels) on hand now is estimated at 51,000,000 bushels.

The annual report of Commissioner of Customs McCallmont to the secretary of the treasury shows that during the past fiscal year there was paid into the treasury from sources, accounts relating to which are settled in his office, \$194,384,569.

There is talk in San Francisco of starting a new daily paper to "run out" the Chronicle. The scheme is not a novel one. It has been tried before and often.

The railway managers of the country are all directing their attention to the preparation of a series of signals—whistle, lantern, and bell—which shall be alike for all lines.

The Astoria Transcript came to hand Wednesday. It is a six-column, eight page paper, published every Saturday by Snyder Bros., formerly of this city.

Only a little while ago John Most was urging his fellow anarchists to arm themselves and drill and prepare to overthrow what he called the "capitalistic" classes.

It is said that Governor-elect Penoyer has received 4,039 letters, since his election, asking his influence to secure the writers positions.

Fred Winkleman, the boy murderer sent to the penitentiary from Baker county, now turns out to be insane, and has been committed to the asylum.

Senator Watts, of Yamhill county, is prominently mentioned as the man to be elected president of the next senate.

NOTES AND NEWS.

The report published in our last issue that the U. S. revenue cutter Manhattan had foundered and all on board lost was a mistake.

In the trial of James Kelly, accused of the murder of Kalashua in Portland last spring, the evidence proved insufficient, owing to the disappearance of Moran, the principal witness for the state, and the jury returned a verdict of acquittal.

Speaker Carlisle, who is now with Mrs. Carlisle, visiting her sons in Wichita, Kansas, will after the end of his term in congress, to which he has just been re-elected, remove from Kentucky altogether, and will probably make his home at Wichita.

The American exhibition in London next year will open May 2. It will be an exhibition of the arts, inventions, manufactures, products and resources of this country, and its object is to bring the manufactures and products of the United States to the attention of Europeans generally.

Villard is negotiating with C. P. Huntington for the final transfer of the Oregon & California Railroad company, though it was thought this had been consummated some time ago.

The total collections of internal revenue from the time the present system was organized, July 1, 1862, up to June 30, 1886, were \$3,438,290,255.

An Indiana man named Thompson visited a cemetery, as he announced in advance, to spit upon the grave of a person whom he disliked.

The St. Louis grand jury has found indictments against express messenger Frothingham, Jim Cummings and two others whose names are not given, for the robbery of \$50,000 from the express car on the Frisco road recently.

It is now claimed that genuine wild turkeys are being shipped to Portland from southern Oregon. There has never been anything heard before of wild turkeys in this state.

San Francisco is excited over one of the most cold-blooded murders in the history of the city. Mamie Kelly, a school girl, aged 13, was returning from school Wednesday.

The great Chicago strike still goes on. From the hard teacher of experience the laboring men of this country will learn sooner or later that they cannot afford to be too independent, that they cannot assume the role of dictators, but must be reasonable and conservative.

Last Tuesday afternoon Roderick Grant was murdered at Antelope by a horse thief whom he found in possession of a horse stolen from Grant's brother, October 27.

It is said that Governor-elect Penoyer has received 4,039 letters, since his election, asking his influence to secure the writers positions. Clerk of the board of school commissioners is the most sought after.

THANKSGIVING PROCLAMATION.

Gov. Moody has issued the following proclamation:

In accordance with a custom established by our forefathers of setting apart one day in the year in remembrance of the blessings vouchsafed by the Divine Ruler, and in conformity with the recommendation of the president of the United States, I hereby designate Thursday, November 25, 1886, as a day of praise and thanksgiving.

Witness my hand and the great seal of the state of Oregon, hereto attached, this ninth day of November, A. D., 1886.

One of the encouraging features of the political outlook is the decadence of free trade sentiment in the south coincident with the introduction of manufactures, the development of mineral wealth and the construction of new lines of railway.

The sporting element of San Francisco are on the tip-toe of expectation over the sparring contest between Sullivan and Ryan, which occurs to-morrow. The admission will be \$1.

New To-Day.

ADMINISTRATOR'S NOTICE. NOTICE IS HEREBY GIVEN that the undersigned has been duly appointed by the honorable county court of Yamhill County, Oregon, administrator of the estate of James Fairchiles, deceased.
