B street is almost impassable. Never in the history of McMinnville have we had such roads. W. R. Brown of Amity made us a pleasant call last evening. He is on his way to Portland. George Cornet is the efficient and gentlemanly artist in Welch's Tinsorial Parlors, after August 6. The Lew Johnson colored minstrel company will appear here Monday, December 20. Read their ad. As a result of offering a dictionary for a prize, Rogers & Todd are dishing out the holiday goods at a lively rate. If you have any old saws that need mending take them to 'Billie' Henderson. He will insure you a neat job. Invitations are out announcing a party at the residence of J. C. Cooper, in honor of Miss Nora Cooper's sixteenth birthday. Great bargains in all kinds of watches, clocks, plated ware, etc., at the McMinnville Jewelry store, Wm. Holl, proprietor. The Rev. John C. Fair will officiate at the Gopher valley school house next Sunday, Dec. 19. Services will commence at 3.30 p. m. Thomas Rogers and Bert Heath left yesterday for Wheatland in their boat, on a hunting trip. They expect to be gone about ten days. Clocks can be bought at the McMinnville Jewelry store cheaper than anywhere else. Come and see for yourself. dectf Wm. Holl.

Vinegar, 25 cents per gallon, in large or small quantities; sweet cider, 15 cents per gallon, at the cider mill of Jno. J. Sax. 29tf The McMinnville Jewelry store is the largest west of Portland, and the cheapest place to buy goods in Oregon. Wm. Holl is the proprietor. dectf Over 200 seats have been reserved for the McGibbens concert at the opera house to-night. The indications are that the house will be packed. Several valuable pieces of real estate are offered for sale in this issue of the TELEPHONE. Whoever first takes advantage of the offers will secure bargains. The ushers for the McGibbens concert to-night want it understood that they will have no foolishness. Each one shall have the seat they are entitled to, and no other. M. M. Bannister, editor of the Dayton Herald, was in the city yesterday, and paid us a pleasant call. Manly is chuck full of business and reports the Herald in a flourishing condition. The case of Sarah Springer, et. al. apps., vs. Nancy Springer, et. al. apps., in the Supreme court Friday, on appeal from Yamhill county, the judgment of the lower court was affirmed. Billiards at the "Orphan's Home" 15 cents per game of 24 points; 20 cents for 50 points, and 25 cents for 50 points when one player discounts the other. H. H. Welch. Dr. I. C. Taylor is in the city with headquarters at the office of Dr. H. V. Johnson. Dr. Taylor makes a specialty of hemorrhoids and other diseases of the rectum. No charge for examinations. Cure guaranteed or no charge made. 47tf The lectures by Prof. Campbell, at the Christian church last week, were well attended. Prof. Campbell is an excellent speaker and his lectures are original and striking. Many of his arguments, if not conclusive, possess at least the charm of novelty. St. James (Episcopal) Sunday school has been presented with new hymnals and service books, through a lady in New York city; also suitable bible lessons for each Sunday, and a handsome illustrated Sunday school paper. The above together with the library places the school in a flourishing condition. One would be pleased to visit the school and hear the children rehearse for the Christmas festival.

THE NARROW GAUGE.—A dispatch was received here Friday evening by Dr. J. F. Calbreath, stating that the first through train over the Narrow gauge railway would leave Elk Rock for Dallas, Saturday morning and would pass McMinnville junction about 10:15 a. m. It was suggested that a party of representative men from this city go out to the junction and extend to the officials of the narrow gauge our congratulations upon the near completion of this important branch. Several expressed their willingness to go, but owing to the stormy weather, no steps were taken in that direction, and the delegation on board the narrow gauge was allowed to go by without a manifestation of welcome from the citizens of the metropolis of Yamhill.

THE HIBBS CASE.—The United States court for Idaho is again in session at Lewiston, says the Oregonian, and I. N. Hibbs, the defaulting postmaster of that place will be brought up again in a few days for trial on the various indictments for forgery hanging over him. He has been incarcerated in the penitentiary at Boise City over a year for safe keeping, the long delay in coming to trial being explained by the lack of funds provided by the government for carrying on the court. Even if Hibbs escapes conviction, as he confidently expects, he will have found that the way of the transgressor is not all strewn with roses.

THE MCGIBBENS' COMING HOME.—Tonight the McGibbens family, who claim Oregon as their home, are to open their concert season on this side of the river at the opera house in this city. They are pleasantly remembered here, and will meet a cordial welcome back. Their songs are of the character that refines and elevates. The religious press in California and the east speak of them with high favor. A musical family of fifteen in number is a musical prodigy, and alone are worth seeing, even if their performances were not as pure and attractive as they are.

THE MINSTRELS.—The Lew Johnson colored company gave an entertainment at Dow's opera house, on Monday evening last, to a large audience. The selections were new and very funny, the audience being frequently convulsed with laughter. Singing and dancing were the main features of the evening, the entire troupe being first class artists in this line, and their equal seldom seen in this part of the country. The Swanee River was sung in a style that approached the sublime. A talent, mirth-provoking troupe, the Lew Johnson colored company is a success.—From an Evanson, Wyo., exchange.

G. A. R. ELECTION.—At a meeting of Custer Post No. 9, G. A. R. last Saturday, the following officers were elected for the ensuing year: T. H. Henderson, P. C.; C. W. Powell, S. V. C.; C. R. Cook, J. V. C.; H. R. Littlefield, Surg.; J. W. Gault, Q. M.; J. W. Covert, Chap.; A. L. Newgard, O. D.; A. M. Hoffman, O. G.; J. W. Covert and A. M. Hoffman were appointed delegates to the state encampment, with H. R. Littlefield and C. W. Powell alternates. They will hold a public installation at Grange hall on Saturday January 8.

THE NEW STABLE.—Messrs. Logan Bros. & Henderson have let the contract for their new stable building to A. D. Simpson, and work was begun yesterday on the structure. It is their intention to have the building finished by the 1st of January; if the weather holds good this will be accomplished. Logan Bros. & Henderson will move the business of their lower stable to the new building and conduct their business under one roof.

OFFICERS ELECTED.—The following officers were duly elected and installed at a meeting of Sterling Chapter No. 16, on Thursday evening, Dec. 9, 1886. J. F. Calbreath, M. E. H. P.; H. A. Tucker, K.; G. F. Tucker, S.; Jno. J. Spencer, C. of H.; Samuel Shaffer, P. S.; J. A. C. Freund, R. A. C.; O. O. Hodson, G. M. 3d. V.; J. C. Cooper, G. M. 2d. V.; W. D. Wright, G. M. 1st. V. C. D. Johnson, Treas.; C. W. Talmage, Sec.; Wm. McC. Chrisman, Sent.

SOLD OUT.—Hon. J. D. Lee, state senator from Polk, who has been engaged in business at Dallas for a number of years, has sold out to Lee Fenton, one of his clerks, and Warren Truitt, late register of the land office at Lakeway. It is not stated in what business Mr. Lee will hereafter engage. Mr. Fenton is an old Yamhill boy, and we wish him success in his new departure.

THE WEATHER.—Splendid, copious winter rains have fallen during the last few days, making the grass grow greenly, and hope to swell immensely in the farmers' breasts. Yesterday was as warm and pleasant a day as anyone could wish for. Now if our streets were only in a condition so one could just manage to get around, life would be worth living for.

FOR SALE.—A piece of valuable property situated just outside the city limits, for sale at a bargain. Large house, well built; several acres of ground for gardening, small fruit of various kinds nicely started, numerous outhouses, barn, etc. Everything in good order. Satisfactory reasons for wanting to sell. For further particulars enquire at this office.

CHRISTMAS BALLS.—Grand Christmas balls will be given at Amity and North Yamhill on Christmas eve. The boys in both of these regions know how to have a jolly time, and all those who are fortunate enough to attend either of these dances will be sure to enjoy themselves.

HERE'S A CHANCE.—We have for sale a small place adjoining town containing a little more than an acre of ground; a good two-story house and barn; well set with small fruit trees; good well, etc. We will sell this place at a bargain. For further particulars enquire at this office.

College Notes.

Let us put together the few facts already mentioned in regard to higher education in our town. In so doing we may be able to form some important inferences.

McMinnville college has stood in the midst of this community, fully qualified and ready to offer a thorough course of instruction for more than a quarter of a century. In proof of this statement, it need only be said that some of the best educators in the state have filled chairs of instruction in the school. The president of our state university was once a teacher here. Others could be mentioned. Out of a large and increasing population of young men and women, not one has chosen a course of study in McMinnville college, and pursued it to the end. A small per cent. of those in school are resident students of our town. It is not likely that more than one resident student will graduate in the next five years to come. Not one young man who resides in this community, to our knowledge, has graduated from any institution: And not one is now pursuing a course of instruction in any school of higher education. Individuals of other communities have come to regard our town as opposed to colleges. The first inhabitants of our place had a meager share of education.

With these facts before us what are the inferences? We conclude: That there is an unnatural state of things in this community. In other places where there are schools of learning it is not so. In Corvallis, for instance, running through a series of sixteen years, there was but a single year in which no resident student graduated from the institute. Out of eighty-one graduates in the same time forty-one were residents of the town. This is an illustration and serves to show the moral condition. We conclude that it is not the fault of the college that this state of things exists. It has competent instructors. Its doors have been open alike to all. If the citizens of this community would rally about their home institution, it would be a source of gratification not only to the authorities of the school, but to many in the surrounding localities.

Those who have been sick on College-street are improving. Mr. E. Antrim, Miss Mary Antrim and Frank Story have recently entered school. Miss Ollie Powell, of Brownsville, who was in school last year, was married last Sunday evening to a Mr. Staudard, of that place.

Mr. Bruce Palmer's brother came over to pay him a visit last week. Mr. F. S. Perkins is arranging to start into school again. Mr. B. F. Rhodes is teaching near Hopeville. He was up to visit his old friends recently. Mr. Burns, who left school during the first term on account of ill health, is back again. Mr. J. R. Saunders, Jr., has started to school again. It makes one glad to see the old boys back in school. The literary society is booming. What has become of the foot ball? Quite a number of students are taking music lessons this term. Invitations are out for a social on College-street. JACKSON.

NEW TIME TABLE.—On Wednesday a new time schedule on the narrow gauge went into effect, whereby close connections are made at White's with passenger trains to and from Portland on the O. & C. The north bound train now arrives at Dallas at 11:45 a. m., and departs at 12:15—the half-hour stop at that place being made so that dinner can be had at the hotel and various boarding houses. Continuing the train goes on to Dundee, without going to Sheridan. The next day this train comes back and goes to Sheridan and returning from Sheridan passes the north bound train at the junction, arriving in Dallas about four o'clock. Of course two trains are running on the road simultaneously—one leaving Airline in the morning going north, and the other leaving Dundee in the morning going south. The itemizer says a person can now come to Dallas from Sheridan in a few hours, but a Dallasite going to Sheridan has to take two days to make the trip, hence a big "kick" by some.

OREGON'S CLAIM.—The claim of \$351,000 which Oregon holds against the United States government, for money advanced for supplies, expenses of transportation, etc., during the civil war, and the various Indian wars in which the state has been engaged up to 1878, is now being audited by a committee appointed by the secretary of war. The committee consists of Majors Biddell and Farnsworth, and Capt. Hunter, of the U. S. army, and was appointed by the secretary of war upon the authority of an act of congress, to audit the war claims of Oregon, California and Nevada. It is probable that the claims will be acted favorably on by the committee, and as probable that congress will act favorably on their report. Secretary Earhart has pushed the matter of Oregon's claim before the secretary of war, and, if the claim is allowed, it will be largely on account of his persistence in presenting the rights of the people of Oregon to the government.—Statesman.

FOR SALE CHEAP.—Forty acres of land, situated five and one-half miles northwest of McMinnville, adjoining the Dave McCall place on the left. This piece of land is offered for sale cheap on easy terms. It is well fenced, contains a living spring of water, ten acres of it has been under cultivation, and eight acres has been slashed. Price \$10 per acre. For further particulars call at the TELEPHONE office.

Holiday Goods are going off like hot cakes at Geo. W. Burt's, and he don't have to run a lottery swindle to sell them either; the prices are so low they sell themselves. 48tf

OUR ASSISTANTS.

Bellevue. December, 13, 1886. Fall sown grain in this section is doing well. Miss Belle Rhodes is suffering from a severe attack of pneumonia. Miss Adda Poppleton, of Lafayette, was in the neighborhood Wednesday. The society Friday evening was well attended notwithstanding the heavy rain. There will be preaching in the church Sunday at 11 a. m. Sunday school at 10 o'clock sharp. School closed Friday. Nettie Guile received the honors for the greatest number of perfect lessons, and Maggie Wiley for the best deportment. Mr. F. J. Spencer informs us that erysipelas has now made its appearance on the leg of his little son who is in Portland receiving medical treatment. THAD.

Lafayette. December, 13, 1886. Thomas Huston is very sick. Do not know the nature of his trouble. Mrs. Jameison was thrown from a buggy last Monday evening and was severely injured. Her horse became frightened and backed off an embankment. Mr. Smith, our butcher, has sold his interest in the butcher shop at this place to his partner Mr. Bond. He has now sold a half interest to Mr. Hamilton of Dayton, and bought a half interest in the Dayton shop.

Telegrams were received here last Friday evening, announcing the arrival of the first train from Elk Rock, and inviting the people of this place to meet it. Accordingly, about 9 o'clock Saturday morning the people turned out en masse to welcome the long looked for train, which arrived at 10:10, but did stop. It appeared to run faster about the time it came to the depot. Some of the citizens seemed to have looked upon it as an insult, as Mr. Reed had invited a number to board the train at this place. There seems to have been a misunderstanding between Scott and Reed, as it was Scott's excursion and not Reed's. Reed is the one who invited certain men here to board the train, and I think Scott knew nothing about it. Q.

Sheridan. December 13, 1886. Trains from Elk Rock now arrive at 12:25 o'clock. Leave for Airline at 1:15 o'clock. We suggest that our business men pile their empty boxes and chicken coops out on the sidewalk. Charles Hussey invested in Sheridan shortline stocks, and expects to be a first class telegraph operator in the near future. A wagon on the farm of T. N. Graves was left standing too near the railroad track last week and a passing train carried off one wheel. Santa Claus has announced that his ship will arrive at Armory hall Christmas eve with a full cargo of toys and nice things for the little ones. The remainder of the crew of the Carmartha Castle came over Saturday from Nestucca, and took the train for Portland. Capt. Richards came near being drowned while crossing a swollen stream. The Captain says he don't mind rolling over the surf, but would rather not roll over any more bowlders. A social gathering at the residence of A. B. Faulconer, Wednesday evening, was one of the most pleasant events of the season. After a good old fashioned sing, in which all present took part, and an excellent lunch had been served, all went home wishing that "Uncle" Ab. would invite oftener. A. Z.

THE NEW BRIDGE.—Work on the first span of the new Morrison street bridge, of Portland, is nearing completion. The wedges on the false work on which the span rested were taken out on Saturday afternoon last, and the span now rests on the piers alone.
