A MAN I LIKE.

Like a man who all mean things despises, A man who has a purpose firm and true; And murmurs not at what he finds to do.

LIFE ON A RAFT.

Two Brothers Nearly Dashed Over a Cataract. It is now some years since, that accompanied by my brother, and under the guidance of an experienced hunter, I started for three months' shooting in the Canadian wilds.

HE WAS EXCUSED.

An Old Dorky's Striking Argument in a Question of Natural History. Down in the woods of the Chickamauga battle fields rabbits skurry from one brush-hedge to another, and the squirrels chatter as they look down from their perches at men wandering from point to point in the openings.

SPECIALIZED EFFORT.

The Jack-of-One-Tool, the Man Who Accomplishes Great Things. The world has arrived at that stage of development where concentrated effort done can produce any notable achievement.

WHAT SHE BOUGHT.

Results of a Thoughtful American Woman's Shopping Excursion. Mrs. Flyarund is quite a model wife. Mr. F. is a good but inquisitive husband.

ENCOURAGING TO JONES.

Brown—You ask me to lend you five dollars. Why don't you go across the street to the bank and ask them to lend it to you? Lending money is their business.

NEW GOLD FIELDS.

Difficulties Under Which the Metal Has to Be Obtained in Australia. For some years the Government of Western Australia has offered a reward of £5,000 for the discoverer of a payable gold field within three hundred miles of a declared port.

NORWEGIAN HOSPITALITY.

Indoors That is Refreshingly Open-Handed, Unaffected and Generous. In no land is hospitality more open-handed and more unaffected than in Norway, and though these features are naturally becoming blunted along the beaten lines of travel, the genuine goodness of heart, fine "gentlemanly" feeling and entire absence of that ordinariness which is often seen even in primitive regions can not fail to strike an unprejudiced observer.
