DEATH OF MR. HADLY.—Further particulars in regard to the death of J. J. Hadly near Dayton, clears up all doubts in regard to the manner of his death, and shows that he died from natural causes. He was working on his farm, repairing his fence, and was alone at the time, and was seized with a fit of apoplexy and fell while making a withe, and in falling made a slight wound on his forehead, which was the only mark found upon him. These facts were brought out by the coroner's jury, which was called by the wishes of the family, who in the excitement of the first examination, thought there might have been foul play.

THE WIFE MURDERER.—On Saturday night Sheriff Groves, of Polk county, fearing that Kelly, the wife murderer, might be in danger of his neck if he were permitted to remain longer in the vicinity of the scene of the tragedy, removed him to Dallas. In fact, if Kelly was anxious to die, he would not be long in dying. His preliminary examination will take place as soon as possible.

Pioneers' Reunion.

The annual reunion of Oregon pioneers was held in Portland June 15, 1887 and was the largest gathering of the pioneers yet held. The procession was large and a stirring and interesting sight.

It was made up of the men who fought the savages and carved out homes in a new country for themselves. The story of their hardships has been often told and to the new generation to see the pioneers collected together was a scene full of interest and well calculated to stir the best of feelings in the breasts of the young, to stimulate them to like deeds of daring and enterprise.

In the evening the members of the association met in the art gallery of the pavilion, and elected the following officers:

M. Wilkins, president; re-elected. W. S. Ladd, vice-president. Geo. H. Hines, secretary; re-elected. John M. Bacon, treasurer; "

Medmore Crawford, W. H. Odell, Joseph Watt, directors.

It was recommended that the board of directors appoint a corresponding secretary to reside in Portland, and an assistant corresponding secretary in every county in the state. The duty of these officers is to make brief sketches of all pioneers in their respective localities, and preserve them for future use.

A vote of thanks was tendered to the officers of last year.

It was voted that a committee be appointed by the president to inquire into the feasibility of an excursion to the eastern states at some time in the fall. This will be announced in a short time.

No further business appearing, the meeting adjourned sine die.

Another meeting of the directors will be held soon to determine on the matter.

Sing Brothers Sing.

Now let us to the woodland hie, where trees their verdure wrap, for spring no longer lingers in old burley winter's lap. In picnic garb we'll amble forth, and sit beneath the trees, and have on hides all chopped and hacked, with stings of humble bees. We'll gaiy don our linen coats, and thin seersucker pants, and sit beside the gurgling stream, while o'er us crawl the ants. We'll swallow picnic lemonade, to moisten down our grub, which people make by soaking one cheap lemon in a tub. The guileless lemon we shall eat, devour the clammy pie, and sit on bowls of custard while a tear bedims our eye. We'll tip the mustard in the jam, the pepper in the tea, and try with all our might to show that we are filled with glee. Then let us to the picnic hie, our basket in our hand, and homeward come filled up with woe, and leaves and dust and sand.—Heppner Gazette.
