We are nearer to the bulk of the voters in Willamette than they are to Lafayette, and all of Willamina, Sheridan and Bellevue, are five miles nearer to us. East Chehalem, West Chehalem and Dundee precincts are farther from us than from Lafavette by five miles, come by the Narrow Guage railroad, stopping at the McMinaville crossing, east of town about as accessable to us as St. Joe to Lafayette, Besides most of the people of all these precincts come to would find it just as easy to transact their county business while here as to stop at Lafayette. This preparation is most effective for giving tone and strength to the enfeebled system, promoting the digestion and assimilation of food, restoring the nervous forces to their normal condition, and for purifying, enriching, and vitalizing the blood. Failing Health.

Ten years ago my health began to fail.

I was troubled with a distressing Cough, Night Sweats, Weakness, and Nervousness. I tried various remedies prescribed by different physicians, but became so weak that I could not go up tatirs without stopping to rest. My friends recommended me to try Ayer's Sarsaparilla, which I did, and I am now as healthy and strong as ever. Mr. as healthy and strong as ever. - Mrs. E. L. Williams, Alexandria, Minn.

I have used Ayer's Sersaparila, in my family, for Scrofula, and know, if it is taken faithfully, that it will thoroughly cradicate this terrible disease. I have also prescribed it as a tonic, as well as an alterative, and must say that I honestly believe it to be the best blood medicine ever compounded.—W. F. Fowler, M. D., D. D. # Dyspepsia Cured.

It would be impossible for me to describe what I suffered from Indigestion and Headache up to the time I began taking Ayer's Sarsaparilla. I was under the care of various physicians, and tried a great many kinds of medicines, but never obtained more than temporary relief. After taking Ayer's Sarsaparilla for a short time, my headache disappeared, and my stomach performed its duties more perfectly. To-day my health is completely restored.—Mary Harley, Springfield, Mass.
