A CATASTROPHE.

Mrs. A. Yokum of Sheridan, who was hurt in the recent Narrow Gauge disaster, left the Good Samaritan hospital for home last Monday.

Conductor A. K. Colborn who was terribly crushed in the same disaster died at 12:10 Monday morning.

Mr. Colborn's many excellent qualities has made him a general favorite and his untimely demise is universally regretted by his many friends in this city.

He never regained consciousness from the time of the accident to the time of his death.

Besides those already mentioned there were several other people from Yamhill county who were hurt.

Mr. D. W. Ralston of Sheridan had his wrist dislocated, besides being cut severely about the body.

N. Patterbury of Middleton, had his shoulder sprained and his right leg severely hurt.

Miss Ida Popelton of Lafayette, was injured in the left shoulder. Miss Anna Dunn sustained a severe scalp wound.

Mr. E. Gardner of Middleton sustained a severe fracture of the right leg below the knee.

F. A. Morris and John Lawson of Newberg, had their backs severely wrenched.

All the parties injured are doing finely. It appears that the accident was not caused by the trestle breaking, but by the crowding of stock in the freight cars when overbalanced the cars; the train being on the long trestle about two miles above Oswego.

There is considerable curve in the trestle and the rails are raised on one side, the stock crowding one side suddenly it caused the stock cars to overbalance and fall pulling the passenger coach to the bottom of the gully a distance of about 20 feet.

THE GOVERNOR WILL BE THERE.—Governor Penney has written to H. C. Willis, president of the Stockmen's Association at Arlington, announcing his intention of being present at the grand "round up" of stockmen to be held at Rock Creek, commencing May 1st and lasting five days.

NOTICE TO THE PEOPLE OF YAMHILL COUNTY.—The foundation of the county building is not laid, but it is gratifying to know that R. E. Cook the boss barber has opened the County Seat Hair cutting and Shaving Parlors.

Hair cutting done in the Oxford and Cambridge styles. Ladies and Childrens hair dressing a specialty.

Work done at private residences. Private razors honed on short notice. R. E. COOK, Prop.

A QUESTION.—Will some old resident of Oregon inform us why a fir stump grows. The other day, while rambling in the fir groves around this city, we noticed a fir stump, the top of which was overgrown with bark and was in fact growing, and by cutting through the bark sap would run. To all appearance the tree had been cut many years.

Will some one who knows answer our question by an article to be published in this paper so that other people may know the reason why. Does the tree have to be cut at a certain time? Let us hear your opinion.

THE APPROPRIATION SHORT.—From Superintendent Downing it is learned that out of the \$33,000 appropriated by the legislature for keeping prisoners and general expending of the penitentiary, \$22,761.54 were expended the first year and \$27,765.16 were expended up to March 10th at which time he assumed the office, leaving the sum of \$5,204.74 of that fund on which to run the penitentiary for nearly ten months to come.

The total ordinary expenses of running the penitentiary for the year 1887 were \$39,207.21, against \$30,069.70 for the year 1886. The total expenditure including extraordinary expenses, for 1887 was \$44,040.08.

WHAT THE PEOPLE SAY.—All those who patronized during the past year, the well known photographer, W. P. Johnson, of Salem, Or., at his branch gallery in McMinnville, are well pleased with the work they received.

Many more who are anxious to have work done by him, will be pleased to learn that he has secured the old gallery up stairs over Detmering's store in McMinnville, and will continue to make regular monthly trips of three days duration each, during the year.

He will be at the gallery for business April 5, 6 and 7, Thursday, Friday and Saturday. Many put it off to long, death is passing off the stage of action daily. Do not delay to long. Heed the entreaty of kind and loving friends to secure the shadow ere the substance fades.

The place to go for that is at Johnson's branch photograph gallery up stairs over Detmering's store, McMinnville Oregon.

Marriage Bells.

Married at the residence of E. J. Esson, Pleasant Hill, Yamhill County, on Sunday March 25, 1888, Emma I. Gillam to C. W. McCall, of this city.

Miss Gillam is the daughter of Mr. L. Gillam of Waco, Nebraska. The Rev. R. W. Patty officiated. A large number of invited guests attended the ceremony and the couple received several fine and costly presents.

Immediately after the ceremony, which occurred at 5 p. m., the guests were served with a sumptuous repast. The young couple have gone to housekeeping on the ranch of the groom. May their married life be full of happiness is the sincere wish of the TELEPHONE. Thanks for the cigar.

Died.

Died, March 29, 1888, at 1 a. m. Freddie, son of Mr. and Mrs. H. P. Stuart, of this city, aged 13 years 8 months and 5 days.

Freddie was born in Appleton Swift Co. Minn. July 24, 1874. The funeral will be held to-day at the Presbyterian church at 1 p. m., Rev. Russ will officiate.

Freddie was deeply mourned by his many friends and schoolmates. He was an extraordinary bright and energetic boy full of mischief and play.

Not long since he had the misfortune to break his leg and during the 105 days that he was confined to his bed he was laying plans for future fun, but death put in his appearance clothed in the dread draperies of meningitis, and in a breath this life was wafted into an eternal one.

WILLAMINA.

March 25, 1888.

It might please someone to know that we are having fine weather.

I don't see any Willamina correspondence in the spicy columns of the TELEPHONE, but we will try in future to have some there.

Mr. E. L. Lampion leaves tomorrow for Bunchgrass.

Churchman Bro's., will leave soon for Newberg. Mr. D. C. Daugherty, their successor is doing a fine business.

Sopher Bro's., are auctioneering off their goods.

Dad Wooden is building a livery stable.

A. Bailey is rebuilding his mill.

Our flowering mill is doing a good business.

Geo. I. Fendell is running his saw mill. Business in general is looking up.

Mr. Gilson's son is convalescing.

Dr. O. B. Reese is having great success in his practice, his field is getting too large for our convenience but our loss is our neighbors gain.

Tally one for the directors of Willamina School District. Polk county thought they would steal a march on them by trying to secure the services of Prof. Linden while the report was circulated that we would not have a spring term of school.

We are pleased to learn that Mr. Linden has consented to teach our school. We have long since learned the value of a good teacher and it is the unanimous verdict here that Mr. Linden has no superior.

Our school will commence April 9, 1888. 75.

A LONG TAILED COMET.—People who get up "when the birds are ringing their sweetest notes, at 5 o'clock in the morning" will do well to keep a look out for the brilliant new comet which is now coming at the rate of a degree a day.

It is reported to possess a very bright nucleus and a tail as straight as a crowbar. It was discovered at Cape Town last month, and rises earlier every morning and will in a few days be visible to all who stay up late enough or get up early enough.

"DOCTORED" OREGON POTATOES.—A dispatch in Tuesday's Oregonian from San Francisco says: "For some time past certain local dealers have been washing old potatoes and then selling them as new at a greatly increased figure. How the fraud is perpetrated was explained to-day by a dealer, who, by reason of the cheapness of the washed arsol by a neighbor, was unable to dispose of several sacks of the genuine goods, which he could not let go except at a higher price. Potatoes generally used in the fraud are the Burbank's Seedling from Oregon," he said.

They are purchased at from one half to three quarters of a cent a pound. The smaller potatoes are chosen, and taken to a rear room, where they are bathed in a solution of potash. This makes them white and peels them much in the same way that genuine new potatoes look. Being wiped off, they are sold all the way from three to six cents per pound."

The editor of this paper leaves for Pendleton, Monday, to attend the Democratic convention, so excuse the paper if not filled with as much local news next issue as common.

A Republican club is being formed in this city. Democrats come to the front.
