LOVE'S INFINITUDE. Will time, you ask, my heart from thine estranged? The quality of loving do not mock! Can hours that love find time in time to change? That one tick of the great celestial clock.

A Week's supply of Stamps. That popular actor, W. J. Florence, was once an employe of a bank note company in this city. He was talking about it recently as he was taking a postage stamp for service on a letter which he held in his hand.

One Use of the Parasol. There is a new phase of the plat glass show window study. The ladies have appeared to be taking an interest in admiring themselves, under pretense of examining goods, without everybody knowing it, and have adopted another plan.

Better Than a Pen Wiper. On the subject of the Twenty-third sub-precinct, police station, at the Grand Central station, an excessively inky potato is always to be found.

A Tame Gray Squirrel. A young gray squirrel and by a party of children at Everett, Conn., was captured until it had grown large enough to help itself, when it was set at liberty.

Bug Proof Fences. A Kansas man told me recently that an ingenious individual in southern Kansas had invented a fence to keep out chink bugs. He takes a strip of flooring and sets it on the ground with the grooves side up.

The Latest Egg Problem. Country readers are puzzling themselves over the following egg problem: If a hen and a half lay an egg and a half in a day and a half, how many eggs will six hens lay in seven days?

YOUNG FOLKS COLUMN. A SUGGESTION TO HAPPY CHILDREN ABOUT THANKSGIVING DAY. Directions for Taking India Ink Impressions of Ferns—Information About American Indians in General, and the Ute Tribe in Particular.

There are many tribes among the American Indians, and year by year their numbers are decreasing. The home of the civilized and partially civilized remnants of the once powerful and warlike Indian tribes is known as the Indian Territory, and contains what are called reservations, on which the various tribes of the United States live.

India Ink Impressions of Ferns. Procure some smooth cartridge paper, then take the ferns or leaves and arrange them in position. If ferns, they look well put in ink; if ivy, it will look well as a border.

The Elephant as a Nurse. In India, where the elephant is treated by his owner almost as one of the family, the grateful animal makes a return for the kindness shown it by voluntarily taking care of the baby. It will patiently, says St. Nicholas, permit itself to be manled by its little charge, and will show great solicitude when the child cries.

Thanksgiving Day. When Thomas T. Crittenden was to be inaugurated as governor of Missouri, the senate chamber was, of course, crowded with people. Mr. Brokmeyer was in the chair.

Two Stories of Congressman Pettigrew. I heard two good stories today of Pettigrew, of South Carolina, the great lawyer and Unionist, which I had never heard before. He was practicing at one time before a judge who was a Presbyterian of the straightest sect and a very hard working officer.

How W. J. Florence Was Saved. Florence says the first practical joke that was ever played on him was the means of getting him out of a serious post. I was all frequently in contact with him.

It was when he was a lad, playing minor comedy parts in a Broadway theatre at \$10 a week. He thought he was madly in love with a young actress who worked for the same theatre. Our play one night he invited her to take some oysters after the performance.

What They Were There For. When Thomas T. Crittenden was to be inaugurated as governor of Missouri, the senate chamber was, of course, crowded with people. Mr. Brokmeyer was in the chair.

BILL NYE AS A CRITIC. HE DISCOURSES TOUCHINGLY UPON ACTOR O'CONNOR'S HAMLET. A Few Remarks on the Manner in Which the Actor "Did Up" the Play—Mr. Nye's Chilling Reception at the Star Theatre.

The past week has witnessed the closing debut of the great Shakespearean Hamlet and emotional actor, Mr. James Owen O'Connor at the Star theatre. During his extraordinary engagement he has given us Hamlet, Phidias and Shylock, Otello and Hercules. I think I like his Hamlet best, and yet it is a pleasure to see him in anything where he kills himself.

I went to see Hamlet, thinking that I would be welcome, for my sympathies were with James when he heard that Mr. Booth was picking on him and seeking to ruin him. I went to the box office and explained who I was, and stated that I had been detailed to come and see Mr. O'Connor act, also that in what I might say afterwards my instructions were to give it to Booth and Barrett if I found that they had tampered with the audience in any way.

When Mr. Fox got through with that I presented to him my card, which is as good a piece of job work in colors as was ever done west of the Missouri river and to which I frequently refer with pride.

Mr. O'Connor introduced into his Hamlet a set of gestures evidently intended for another play. People who are going to act out on the stage cannot be too careful in getting a good assortment of gestures that will fit the play itself.

Mr. O'Connor has sought in his conception and interpretation of Hamlet to give it a free and jaunty Kokomo flavor—a nameless weaving of tawny and dried apples which Shakespeare himself failed to seek into his great drama.

It's a Poor Role, Etc. Landlady to applicant for board—Have you children, ma'am? Applicant—No. Landlady—You are fortunate, for we never take families who have children.
