zled case of delerium tremens than that the country, and its prose and poetry are which the other day attacked a snake always of the best. In the number and charmer in New York. In his imagina-tion various articles in his room changed to snakes, but so accustomed was he to such pets that he didn't mind it in the matters of home interest and household such pets that he didn't mind it in the least. When his necktie took the form of a "rattler" he quietly took it up and tied it about his neck, but when the phenomenon changed and rats appeared in stead of snakes, he dashed out of the house with a wild yell. He was no rat charmer.

The Beardsley murder trial which occupied the time of the state circuit court at Salem during the week ended in the acquittal of the prisoner, the jury being satisfied from the evidence given that When she became Miss, she clung to Castoria, the killing was a case of justifiable homicide. The public will regard it as unfortunate that it takes so little to justify homicide in some portions of the state.-Suuday Oregonian. This, we take for granted, is admitted by all. Yet is it not a fact that it takes no more "to justify homicide in some portions of the state" than right in Portland. History will not substantiate the insinuation that justice is any more swift in Portland than other places.

ence on Samoan affairs is hailed as eminently satisfactory from the American standpoint. The only particular in \$2 00 which our representatives do not appear 1 00 to have secured what they were disposed to insist upon was with regard to the indemnity claimed for the destruction of German life and property during the dis-THE ADVERTISING RATES OF THE TELE-PHONE-REGISTER are liberal, taking in consideration the circulation.
